Someone once said that "all good things must come to an end" and as I complete my year as President of the Golf Association of Ontario I can sincerely say it has been a good thing and today I would like to hi-lite some of the accomplishments of our Association over the past year and recognize those who have contributed to those accomplishments.

Harry Daniel
GAO President

There are a number of specific programs that are very important to the GAO and to the promotion of amateur golf in Ontario where I believe we are making great strides and are poised for significant growth in future years. The GAO Golf in Elementary Schools Program - which is one element of our overall CN Future Links Program - has been growing steadily in recent years. However, 2006 saw the opportunity for significant growth develop with the support of Maple Leaf Foods as a sponsor and a successful application by

the GAO for Base Funding to the Ministry of Health Promotion. I believe we are now in a position to bring up to 100 additional schools on board with this program per year.

I would also like to acknowledge our appreciation to the Provincial Ministry of Health Promotion for recognizing Golf as an Official Sport, as a sport that offers life long opportunities to participants and for providing the GAO with funding support over the next 3 years for programs aimed at Player Development from the grassroots level up to high performance.

We have continued to improve our communications with Member Clubs and have seen significant growth in the number of Northern Ontario Clubs who have joined the GAO. We are committed to ensuring that golfers and golf clubs across the province understand and receive the wide range of benefits associated with provincial and national membership in amateur golf associations.

Our programs at the District level - for both males and females - continue to evolve, particularly related to Player Development, and I would like to express my appreciation to John Swift and all of the District Coordinators for their efforts in moving District Programs to a new level.

A key initiative of the GAO in 2006 and one that will benefit golfers and golf clubs on into the future has been to put in place a process to ensure ongoing funding towards turf research. As our Member Clubs deal with issues such as pesticide and water restrictions it is important that turf research be in place to look at alternatives for both turf and treatment of turf. I am very proud of the GAO decision to contribute \$.50 per adult member annually to this initiative and I am confident that golf clubs across Ontario will benefit on into the future.

In 2006 the GAO brought back the George S. Lyon Team Championship and I am pleased to say that this was a successful event and that we are proud to again have the George S. Lyon front and center on the Ontario golf scene. A new event in 2006 - and another one that was very successful - was the Women's Champion of Champions which offers an opportunity for the female Club Champions at all of our Member Clubs to compete.

We continue to conduct the very best Championships for all of our members and it is the efforts of our Tournament Committee, Rules Committee and staff that ensure that a very ambitious annual schedule is conducted in a highly professional manner. I would also like to offer my personal appreciation to all of the GAO member clubs who have provided access to their facility in 2006 for District Events, Provincial Qualifying Events and Provincial Championships. Obviously we could not conduct this program without the ongoing support of our member clubs.

By now you are likely aware that the Board of Directors of the GAO has approved a fee increase effective in 2007. This decision was not made lightly and we do understand that any cost increase is one that member clubs and individuals will review carefully. However, the GAO has not increased fees since prior to amalgamation of the OGA and OLGA in 2001. During the period from 2001 to the present, we have added significant additional programs related to growing participation in the game, development of our players, educating clubs and individuals on a wide range of subjects (such as Handicapping), while at the same time incurring the normal increase in annual costs that all business must deal with. Through our efforts in attracting additional sponsors and receiving government support we have been able to keep the fee increase to a modest level and we will continue to work hard to minimize the need for fee increases in the future.

In closing I would like to specifically thank:

All of the sponsors who have developed partnerships with the GAO to promote Amateur Golf in Ontario. We truly appreciate your support.

All of the Member Clubs who support their association through membership and hosting events. Our strength is in our membership.

The Board of Directors and Executive Committee, along with the various committees of the board, who have given tirelessly of their time to move the Association ahead and to make my life easy.

The many GAO Volunteers who have dedicated endless numbers of hours to help coordinate and deliver the many programs of the association. Without their help none of what we do would be possible.

And finally the GAO staff who work on a daily basis to design and deliver our programs and make the GAO one of the more successful and progressive associations in North America.

Thank you for a great year.

Respectfully Submitted
Harry Daniel

Scholarship Committee Report

This year, with the support of its generous sponsors and partners, the GAO awarded over \$35,000 to 13 deserving student golfers in Ontario.

The GAO has been awarding scholarships to promising young golfers since 1996 and has now awarded over \$180,000. The GAO scholarship program is supported by donations from partners including the Estate of Ken McKenzie, National Homes, Investors Group, Davey Tree, Grey Power Insurance, Bushnell, Ultimate Golf Vacations, Second Skin, Caravan Canopies and the Christine Fisher Memorial Student Award Fund.

This year the deserving recipients received awards between \$2,500 and \$3,500 to assist with their continued education at the post secondary level. All recipients have maintained at least a 75% academic average, are enrolled in a 4 year post secondary institution, are members of the GAO and are actively involved in the game of golf.

Respectfully Submitted
Joan Hulmston

District Coordinators Committee Report

The GAO Districts as a whole witnessed a very success 2006 season. The fourteen Districts each delivered a number of effective initiatives this past season and each continues to build the scope and quality of their District programming each year.

The Grey Power Classic again witnessed participation from twelve of the fourteen Districts and was deemed a tremendous success even though the provincial championship was cancelled due to rain. Despite the weather the twelve men's teams and eleven women's team from their respective districts enjoyed the day. All in all, the event was able to raise over \$10,000 for the Arthritis Society.

Another highlight the District programs for 2006 was the introduction of the District Volunteer of the Year Award. The inaugural winner of the award was Alice Gazeley of the Kingston District and the Garrison Golf & Country Club. With a resume filled with numerous volunteer positions, Alice sets the example for District volunteers province wide and is well deserving of this award.

District Teams were again a part of the Junior Girls', Women's and Senior Women's provincial championship in 2006 and produce the following results:

Membership & Marketing Committee Report

Promotional Materials

We updated and reprinted marketing collateral material including membership brochures and information kits along with other necessary print materials in late January. These items were used as promotional tools for the association at the spring golf shows (London & Toronto) and in our club mailings in the Spring.

Online Auction

The 2006 GAO Online Auction was our most successful to date with approximately \$27,000 raised for the Scholarship Program. We were successful in selling the approximate 180 items donated and increased the number of bids by 770 from last year.

Sponsorship

In 2006, the sponsorship program saw an excellent overall increase. In total we received (via real dollars and avoided costs) increase of approximately 21.5% from 2005. We were able to secure two new major sponsors with a new clothing agreement with Second Skin and a new deal with Maple Leaf Foods supporting our Golf in Schools program.

In addition, we secured a water sponsor this year which offset tournament cost. We also added a hotel partner in 2006 which in over the course of the tournament season resulted in 40 complimentary room nights and a discounted rate for all other rooms, thus also reducing overall tournament expenses. We agreed to terms with Haggar clothing on a contra deal which resulted in team clothing and staff clothing for women at no cost to the association.

Ontario Golf

All Ontario Golf Magazine editorial and advertising deadlines were met and we received excellent coverage of GAO events, programs and initiatives throughout the summer. A number of GAO stories and pieces were also used in sections outside the Amateur Report throughout the season.

Website

The number of visitors to www.gao.ca as of November 30 had increased 17% over the last year. We continue to work with the new tools available from the PRISM management system to introduce a number of new website features that will enhance the efficiency and quality of all GAO communications.

For example a donation page was created with link from the left hand side bar on the homepage. First donation was made on January 20, 2006. To date we have received \$1275 in donations in 2006 via this page.

Membership

The number of Member Clubs (with Real Estate) increased by 2.5% relative to 2005. The majority of the new clubs were Public; hence there was not a very big impact on the number of individual members. Clubs without Real Estate increased substantially as they grew by 38% relative to 2005. Public Player Program membership remained status quo relative to 2005. This is most likely due to the fact that more individuals were joining Clubs without Real Estate.

One important membership push in 2006 was with the Northern Courses. This past year six Northern Ontario Clubs rejoined the GAO, which almost doubled the total from 2005.

Ten Membership Information Sessions were conducted in 2006. These seminars were presented to all ClubLink clubs (15), at all 5 Volunteer Workshops, and at Muskoka Highlands, Kawartha, Chedoke, and Meadowbrook.

John Swift, Chair

Tournament Committee Report

As I finish my final year as the GAO Tournament Chair I marvel at the fact that once again we completed our season successfully. The GAO conducts 29 Provincial Championships and over 55 qualifying events. This is a daunting task that requires the expertise of a very experienced GAO tournament staff and many skilled and willing volunteers. As we continue to provide these events the demands for more volunteers is becoming very apparent. As a volunteer I know the enjoyment and satisfaction I receive from my participation. I encourage all other volunteers to get someone else involved so that we can continue to offer all the competitors in Ontario the opportunity to compete at the highest levels of golf in this province.

Once again, I wish to thank all the GAO member clubs who allowed us the use of their facilities in order for us to be able to run our events. Thank you to all the members of these courses who graciously gave up their playing privileges in order for us to continue to serve the amateur golfer in Ontario.

With the support of our sponsors the GAO continues to conduct our events at the highest levels and will continue to strive to improve and add new innovations each year. Many thanks to Investors Group, ClubLink, Beck's Non-Alcoholic Beer, Baka Wireless, and Grey Power Insurance for their support.

Our Blue Golf on-line entry system continues to be well accepted and 2007 will bring many new features for our competitors to use and view.

2006 saw the re-introduction of the George S Lyon tournament. This was very successful and I know our member clubs and their teams are looking forward to our 2007 event to be held at 4 ClubLink courses, Greystone, Blue Springs and both courses at Rattlesnake Point. We also introduced the Women's Champion of Champions event in 2006. Our inaugural event was very well received. This event is open to the Women's Club Champion from member clubs across the province.

2006 was another banner year for Ontario golfers. Congratulations to Richard Scott on winning his third Canadian Amateur Championship. Who is going to forget the excitement that Victor Ciesielski supplied at the 2006 Canadian Open. Complete results from every GAO Championship are included in this yearbook as well as on our website (www.gao.ca).

In 2007 the GAO has decided to combine both the Rules Committee and the Tournament Committee and form one committee called the Rules and Competition Committee. This will help streamline our policies and decision-making processes. A new Pace Of Play Policy will be implemented in 2007 and I know all officials and competitors will welcome the new standards.

As I finish my term as Tournament Chair I would be remiss in not offering my thanks to Dave Colling for his co-operation the past three years. Dave, Larry Longo and our two interns Paul and Chris Statchuk work a summer schedule that is unbelievably daunting. A good many of our tournament volunteers work just as hard and I admire them for their dedication to golf. I take my hat off to all of you for a job well done.

Respectfully Submitted

Bill Duffield, Chair

On behalf of the Board of Directors of the Golf Association of Ontario, I extend my heartfelt thanks to all of the volunteers who have contributed valuable time and energy to support and to grow amateur golf in Ontario. It is only with your dedication and commitment that we are able to provide the extensive programming that enriches and promotes this sport we all love so much. Your tireless service is much appreciated.

Player Development Committee Report

The Golf Association of Ontario's substantial commitment to Player Development continued in 2006. The Player Development Committee views our goals two fold. We want to support our elite players to be competitive on the National and International stage. We also want to encourage new players to take up this wonderful game. Financial support from member fees, the RCGA, CN and Maple Leaf Foods helped us meet our goals in 2006.

Strong performances were seen by Ontario golfers throughout the year at the national and international level. Richard Scott recorded his third Canadian Men's Amateur Championship, Dave Bunker won in a playoff for the Canadian Mid-Master Championship and Patrick Suraj captured the Canadian Men's Super Seniors' Championship. GAO members were runners-up in the following Canadian championships: Junior Girls' (Anita Gahir), Junior Boys' (Brad Revell), Senior Men's (Stu Hamilton), Senior Women's (Gayle Borthwick) and Men's Mid-Amateur (Dave Bunker).

Richard Scott and Andrew Parr formed two-thirds of the Canadian team that finished second at the Men's World Team Amateur in South Africa while Laura Matthews and Mary Ann Lapointe competed on the Canadian team at the Women's World Team Amateur.

Those achievements and many other accomplishments over the past few years indicate that the GAO's Player Development Program in conjunction with the RCGA Player Development Program is reaping some significant rewards. Under the direction of the Player Development Committee, the Player Development Program was managed the Director of Tournaments & Player Development Dave Colling and GAO coaches Dave Woods and Ralph Bauer. We thank Dave, Dave and Ralph for their valued support and hard work.

CN Future Links Golf in Elementary Schools

Following an extensive review and re-evaluation, all the schools with the Stick to Golf equipment were offered a re-training program as well as a visit from the CN Future Links Mobile Van. This provided the schools with the opportunity to conduct an outdoor full swing program. Through sponsorship funding from Maple Leaf Funds and a grant from the RCGA CN Future Links, we were able to purchase another 25 sets of Stick to Golf equipment, which will allow us to expand the number of schools in the program by 50 through the sharing of the equipment. New schools have been added in the Niagara, Owen Sound, Waterloo, London and Northern Districts. This program encourages students in Grade 4 to enjoy the game of golf and should help create many more golfers in the future.

CN Future Links Mobile Van Clinics

Canadian PGA professional Kevin Mense was hired to run the Mobile Van program this summer and his enthusiasm and hard-work resulted in a 21 % increase in the number of school-aged children who participated in 2006. From early May through to the end of August, Kevin introduced golf to 6,394 children across the province.

Women's Learn to Play Clinics

With the aid of funding from a provincial grant, four (4) Women's Learn to Play Clinics were held this past year. The clinics are designed to introduce the game to women who have never played golf. Former GAO staff member and CPGA professional Nadine Foreman conducted the clinics.

ClubLink Tour

The ClubLink Bantam Tour continues to be a very popular event for our young, up-and-coming golfers. Under the leadership of Lorry Moffat, the Tour features 24 boys' and 8 girls', selected based on their finish in the previous years Bantam Championships. The four-event tour is played at four ClubLink golf courses in the GTA on Sunday afternoons in July and August.

Ontario Cup

The third annual Ontario Cup was hosted by Orillia's Lake St. George Golf Club and it featured 16 juniors (eight boys and eight girls) divided into two teams (East and West) for two days of match play competition. The players were selected on their finish in the Junior Boys' and Junior Girls' Championship as well as the Bantam Championship. Joan Hulmston and Jim Furlong served as Non-playing Captains.

Coaching and Junior Camps

GAO Coaches Ralph Bauer and Dave Woods continue to provide the Association with state-of-the-art coaching, which has helped produce Ontario golfers at the national and international level.

The Coaching Staff's activities includes providing on-site coaching and observing players at the following tournaments: Myrtle Beach Junior Camp/South Carolina Matches, GAO Bantam, Juvenile and Junior Girls' and Boys' Championships, RCGA National Junior Girls Championship, RCGA National Junior Boys Championship, ClubLink Tour and the International Junior Four Ball Championships in Savannah, Georgia.

In addition, the Coaching Staff conducted Regional Future Links Training Camps, attended various Scholarship Seminars, conducted Parent/Player Information Seminars in conjunction with the ClubLink Tour and the GAO High Performance Team, provided Year-round coaching to identified athletes on an ongoing basis.

MSAF - Marlene Streit Awards Fund

The GAO continued its support of the MSAF by managing the fund and coordinating the award recipients. The MSAF Committee sent four girls to the Western Junior Girls Championship in New Smyrna Beach, Florida. Selected for the trip were Bev Peel, Laura Hildebrandt, Stephanie Simich and Hayley Brown. The team was led by non-playing captain Cathy Sherk. All the girls qualified for the Championship Match Play Flight with scores of 75, 77, 72 and 73 respectively.

The 10th annual Ruth Eller Cup was held at the York Downs Golf Club. The Ontario team of Bev Peel, Laura Hildebrandt, Stephanie Simich and Hayley Brown were lead by non-playing captain Cathy Sherk. Team Ontario came out on the losing side of the matches against a very strong team from Tennessee.

GAO Provincial Teams

Ontario had finished in the top 3 of all National Team competitions and won the Senior Women's matches against New York State and the Williamson Cup.

Ada Mackenzie (New York State) Challenge Matches

1st place - Debbie McDonald, Susan Wickware, Jeanne Beaith, Cheryl Damphouse, Lynne Owen, Kathy Keely, Margaret Lockhart, Helen Morin, Sue Postian, Virginia Mawer

Senior Women's

2nd place - Gayle Borthwick, Cheryl Damphouse, Jane Kirkpatrick, Mary Kraus

Senior Men's

2nd place - Stu Hamilton, Brian Jeffery, Bill Ruiter, Sid Segsworth

Women's Amateur

1st place - Mary Ann Lapointe, Laura Matthews, Stephanie Sherlock, Ashley Sholer

Men's Amateur

2nd place - Kevin Blue, Robbie Greenwell, Andrew Parr, Andrew Ross

Junior Girls'

3rd place - Anita Gahir, Rebecca Lee-Bentham, Stephanie Simich, Christina Yoon

Junior Boys'

3rd place - Jeff Fitzgerald, Brad Revell, Kheed Ng, Matt Hill

Men's Mid-Amateur

3rd place - Peter McCarthy, Barry Fairhurst, Bill Hutcheson, Mike Mealia

Williamson Cup

1st place - Britt Pronk, Adam Wilson, Nolan Knill, Jeff Clarridge

International Junior Four Ball Championship

3rd place - Daniel Kim, Matt Hill.

Respectfully submitted,
Kelly Roberts, Chair

Handicap & Course Rating Committee Report

Members of the Handicap and Course Rating Committee met in early spring of 2006 in order to establish committee mandates in the following areas of activity:

Handicap Certification Seminars

As of December 2006, 152 members and staff of 93 clubs in Ontario had been certified as Handicap Officials this season. This was achieved by conducting five Handicap Seminars across the Province and one Handicap Summit that took place in the London district. Handicap Information Seminars were conducted for members at several clubs to increase their general awareness of the RCGA Handicap Manual and the role of the GAO.

Course Rating Training

A successful one-day seminar with 45 experienced attendees was conducted at Glenway Country Club on May 8, 2006. Course Rating Training Seminars were also held at Peterborough Golf and Country Club and Listowel Golf Club. With funding from the RCGA and the GAO, we were able to send four experienced raters, one from the north, south, east and west areas/districts of the Province to the RCGA National Course Rating Seminar in Charlottetown P.E.I. This annual conference was established in order to provide additional training for experienced course raters and to encourage consistency in course rating across the country through the sharing of methods and ideas with other Provincial representatives.

Function of Course Rating Teams

Course raters have been trained to rate courses for either Men or Women. With increased communication with all rating teams rating for both Men and Women we are getting closer to our goal for non-gender teams.

On behalf of the GAO may I extend commendation and appreciation to the Committee and staff who willingly committed their time and energy to fulfill the demanding activities carried out by the Committee. New ideas and initiatives were a product of their valuable input and discussions at our meetings.

2006 Committee members: Joanne Backus, Joan McCallum, Bob Heath, Paul Fitzgerald, Lib Ventresca, Joe Maggio, Craig Loughry, Mark Van Kooten.

Respectfully submitted,
Kathy MacDonald, Chair

Rules Committee Report

It was recommended by the committee that a new Rules and Competitions Committee replace the existing Rules and Tournament committees for 2007. This was approved by the Board for 2007.

The Rules Officials met in April and reviewed the new decisions in the 2006 Decisions book. The meeting was held at Wooden Sticks and was well attended. It was recommended by the committee and the rules officials that we consider the use of the British Columbia pace of play policy for 2007.

The BC pace of play policy was researched and a draft policy was adopted by a joint meeting of the Rules and Tournament committees in October. At the same meeting measuring devices were approved for use in all 2007 tournaments.

Most of the certified rules officials acted as senior rules official at one of the 2006 Championships. Two level 3 Rules workshops were held in Thunder Bay and Toronto in April. Both were successful ventures toward increasing our number of officials.

Respectfully submitted
Jim Furlong, Chair

Public Player Program Report

The Public Player Program was created for those golfers who do not hold an annual membership to a semi-private or private golf facility. These members join the Golf Association of Ontario as an individual or through established Clubs without Real Estate.

Our numbers remained fairly constant for the 2006 season. Approximately 3,924 golfers became members of the GAO through this program. Some members join as individuals and others join through the Clubs without Real Estate, also known as Golf Groups. We had 32 Groups this year including the Ontario Visually Impaired Golfers, Portuguese Canadian Golfers Association and the Rosedale Valley Golf Group to name a few. The Golf Town stores also created 10 new Golf Groups with the GAO in 2006. The Group members posted their scores through the Ontario Golf Information Network through their Handicap Chairperson at an established site or through the GAO online handicapping system. Affiliate posting hubs across Ontario were set up at 47 golf clubs and golf retailers. These sites served more than 3000 individual members of the Public Player Program.

The Public Player Golf League continued once again in 2006. Although our numbers did not increase from last season, the feedback was very positive from those participants who thoroughly enjoyed playing the five excellent golf courses throughout the summer. This League will be offered again in 2007. We wish to extend a very special thank you to Ken Murray and his dedicated team of volunteers and as well to our Tournament Department for their hard work. We would also like to thank the sponsors: Investors Group, Baka Wireless and Ultimate Golf Vacations for their continuing support of the program. There are many changes forthcoming in 2007 for the Public Player Program; however, we will continue striving to build and increase the level of participation in the Public Player Program.

Respectfully submitted,
Susan Buck, PP Coordinator

Ontario Golf Hall of Fame Report

The seventh Annual Ontario Golf Hall of Fame Induction Ceremony was held on May 3, 2006 in conjunction with the GAO's Media and Sponsor Day, at Wooden Sticks Golf Club in Uxbridge, home of the GAO and Ontario Golf Hall of Fame.

Our President Harry Daniel, welcomed inductees and their guests and also expressed thanks to the media and sponsors for their continuing support of the organization.

Well known sports broadcaster, Rod Black, was the Master of Ceremonies and inducted our four inductees: James Barclay, Mary Ann Lapointe, Kelly Roberts and Lorne Rubenstein.

Author and historian of four books on the history of golf in Canada, **James Barclay** is Canada's number one super sleuth of the greens, revealing century old secrets and chronicling the game's unique personalities. His enthusiasm and the energy he has for researching and writing about the game of golf and its place in history is second to none.

Mary Ann Lapointe captured numerous titles in her miraculous career including three straight Ontario Amateur championships from 1995 to 1997 and five overall. A record twelve Women's Mid-Am championships including five straight have been crowned to Lapointe since 1990. Six times she has defeated the field at the Eastern Provinces Championship and has been a seven time member of the Ontario Inter-Provincial team. A champion at the 2005 USGA women's Mid-Am marked her place in history as the only Canadian to hoist that title.

Kelly Roberts claimed victory at the 1966 Bantam Championship, 1969 Junior Championship, the 1971 Ontario School Boy Championship and the 1972 and 1973 Amateur Championships. Other highlights include the 1997 Mid-Am Championship and the 2003 Mixed Championship. He was also a two time All-American in 1974 and 1975 as a member of the Indiana University golf team.

A golf columnist for the Globe and Mail, **Lorne Rubenstein** has been writing about golf since the late 1970's. In almost thirty years of service, Rubenstein has been involved with broadcasting, public speaking, writing books, a magazine columnist and newspaper journalist. Winner of multiple awards for his magazine writing, Rubenstein has written in more than forty magazines world wide. A familiar face on Acura World of Golf since 1993, Lorne Rubenstein will forever be a legend as a writer for the game of golf in Ontario.

Congratulations to all!

We continue to encourage nominations to the Hall of Fame with the appropriate literature available online or from the GAO office. Please remember that the Hall of Fame is open year round and that we continue to accept donations to further the undertakings of the Hall.

Respectfully submitted,
Carolyn Smith, Chair

James Barclay

Mary Ann Lapointe

Rising Star from Kingsville Leads Way in Memorable 2006 Season

They go by so fast - golf seasons that is. As another golf season concludes in the province of Ontario, we look back at some of the highlights this past year.

2003 Canadian Men's Amateur Champion

At the top of the list has to be Kingsville's Richard Scott, who performed admirably in making the cut at this year's Canadian Open at Hamilton Golf and Country Club. Earlier this season, with the Mississauga Golf & Country Club celebrating its 100th anniversary and hosting the Canadian Men's Amateur Championship, Richard made everyone at the Kingsville Golf & Country Club and those involved with the Golf Association of Ontario proud to say that he passed through our programs on his way to winning his third national amateur crown in the past four years. The accomplishment puts him in lofty company with names such as George S. Lyon (7), Sandy Somerville (6), Nick Weslock (4), Doug Roxburgh (4) and Brent Franklin (3). Those individuals are in a number of golf halls of fame at both the provincial and national level, putting into perspective what Richard has done.

2006 Canadian Men's Amateur Champion

His list of amateur accomplishments include a range of provincial titles, an NCAA Championship as a member of the University of

Georgia golf team and representing Canada at a long list of prestigious tournaments. His recent trip over seas to compete in the World Amateur Team Championship resulted in Canada finishing second and Scott sitting alone in second place in the individual competition.

We in Ontario have had the pleasure of watching Richard develop as a golfer and a wonderful young man over the past decade or so, and I can honestly say that he is as good as we have seen as both a player and a person. With Richard's college career coming to an end, the Kingsville native has decided to turn pro and pursue his golfing career with the best in the world. So as he heads on to the next stage of his golfing career, we thank him for all of the wonderful memories he has left us within amateur golf and we wish him every success at the next level.

2005 Canadian Men's Amateur Champion

" I can honestly say that he is as good as we have seen as both a player and a person. "

Hall of Fame Veterans Return to Glory While a Pair of Juniors Secure Legacy

We had the pleasure of welcoming back Gayle Borthwick and Stu Hamilton to GAO competitions. Gayle is a member of the Ontario and Canadian Golf Halls of Fame, but has not competed in recent years at the provincial level due to the demands of family and a wonky back. With the Investors Group Senior Women's Championship on her home turf of Toronto Golf

Gayle Borthwick Represented Ontario at the 2006 Canadian Interprovincial Championships

Club, she came out and showed everyone that the skill was still there and secured herself a spot on the four-player team that represents Ontario at the Canadian Championship.

Stu is also a member of the Ontario Golf Hall of Fame and he, too, has limited his play in recent years due to back issues. All he did was blow away the field and win his second Investors Group Senior Men's Championship at The Cutten Club in Guelph, before leading the Ontario team in the national championship in Winnipeg.

Stu Hamilton 2006 Investors Group Senior Men's Amateur Champion

On the younger side of things, two of our best talents in recent years would up their junior careers with provincial champi-

onships. Brad Revell of Cataraqui won the Investors Group Junior Tournament of Champions, the GAO Investors Group Junior Boys Championship and finished second in the Canadian Junior. He then headed off to the U.S. Men's Amateur at Hazeldine along with nine other Ontario players.

Throughout his junior career Brad has won all of our Major junior championships -sometime twice- and has established himself as one of the best young prospects in Canada and an excellent example to all as to the true values of golf. He has a bright future as he heads pursues his college career at North Carolina State University.

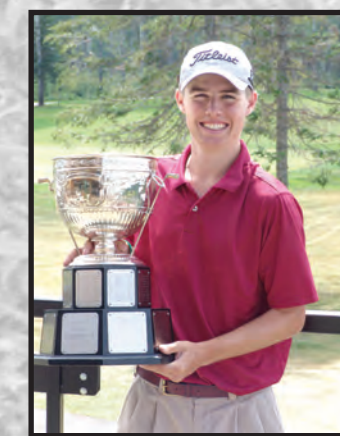

Anita Gahir, meanwhile, captured the Investors Group Junior Girls' Championship to cap off a junior career that also saw her win the national championship in 2003. Her opening round score of 65 in the 2006 Investors Group Junior Girls Championship basically sealed the deal, with Anita going on to a three shot victory.

The Investors Group Men's Amateur celebrated as part of the Oshawa Golf and Curling Club's 100th Anniversary, saw another outstanding performance as Andrew Parr won his second provincial amateur championship with a six-stroke triumph over Kevin Blue of Don Mills. Andrew is another individual who is winding up a great amateur career and will pursue a professional career in 2007. He appears to have all the tools to be able to make his mark at that level.

In the Investor Groups Women's Amateur at St. Catharines Golf & Country Club, Ashley Sholer won in a playoff over Team Canada member Laura Matthews, and you have never seen anyone as excited as Ashley when she realized what she has accomplished in winning a playoff over one of Canada's best amateurs.

Anita Gahir & Brad Revell Captured Their Respective Junior Amateur Championships Before Accepting Post Secondary Golf Scholarships
