GOLF ASSOCIATION OF ONTARIO

On March 31, 2001 the membership of the Ontario Golf Association (est. 1921) and the Ontario Ladies' Golf Association (est. 1926) voted overwhelmingly to amalgamate the two organizations and form a single golf association to be known as the Golf Association of Ontario. The GAO gained official status in November, 2001.

The OGA and the OLGA represented Ontario Golfers for over 75 years. As such, the GAO inherits a long and rich history. With over 420 member clubs and over 115,000 individual members, the GAO is one of the largest golf associations the world.

As the governing body of amateur golf in Ontario, the GAO has an affiliation with the Royal Canadian Golf Association. The RCGA serve a national mandate. The GAO plays an important role supporting and promoting many aspects of the game, including a provision of services to member clubs and to individual members as well as contributing to the "Good of the Game."

The GAO is a non-profit organization governed by a volunteer Board of Directors and supported by Volunteer Committees and Club Representatives throughout the province. Each member club has the opportunity to designate representatives to work with the GAO and to represent the club's interests within the association. The strength of the GAO lies in its broad range of membership support through Ontario.

Funding for programs conducted by the GAO comes from:

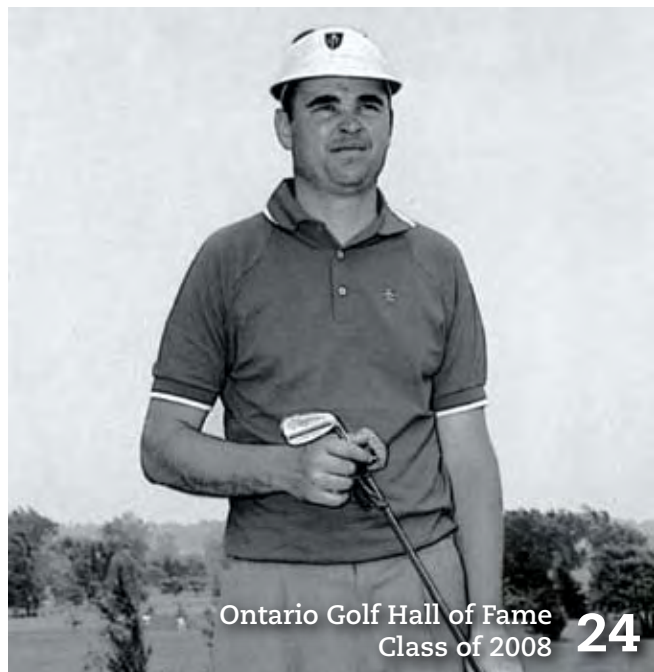

- Corporate and Private Donations
- Program Participation Fees
- Corporate Sponsorship
- Tournament Entry Fees
- Membership Fees
- Grants

Programs and Services delivered by the GAO include:

- Provincial Championships
- Course Measuring and Rating
- Player Development Programs
- Support for Turfgrass Research
- Rules of Golf
- Amateur Status
- Ontario Golf Magazine
- Information Seminars
- Ontario Golf Hall of Fame
- Media Relations
- District Programs
- Volunteer Opportunities
- The Handicap System
- Scholarship Programs
- Awards and Recognition Programs

President's Report

Over the past year, I have been fortunate enough to have represented the Golf Association of Ontario as President. After traveling throughout Ontario and experiencing first-hand the breadth of the GAO's accomplishments, I can say with confidence that the GAO should be proud of the difference it is making in the golf community.

2008 has been a progressive year for the GAO, with the Board of Directors, staff and volunteers working diligently to strengthen and increase the programs offered to amateur golfers in the Province, while developing new initiatives to grow the game. To accomplish these goals, the Association is fortunate to have the support of a number of corporate sponsors that have helped the GAO make a difference. These include our major partner, Investors Group, which continues to support our major championships, along with Acushnet Canada, Baka Wireless, Beck's Non-Alcoholic Beer, Bushnell, Davey Tree, Second Skin, and Ultimate Golf Vacations. Each of these partners has contributed to the ongoing success of the GAO's programs while investing in the future of golf in Ontario.

I would also like to acknowledge the support of Nestle who contributed as our water sponsor along with Westmount Hospitality Group who continued to support the GAO as our hotel partner. Callaway Golf Canada and Clublink have also made very significant contributions to the Callaway Golf in Schools program that have helped expand this initiative by leaps and bounds over the past year.

Various funding sources from the Government of Ontario also help support the GAO's programs. The Ministry of Health promotion provides base funding along with other programs which provide resources for the grassroots to high performance players within the long-term player development plan created by the CPGA and the RCGA. Initiatives supported include the 2009 Canada Summer Games and the 2010 Ontario Summer Games for which the GAO is currently preparing. This will be the first time that golf is included in the Games.

I encourage you to read the committee reports in the following pages that highlight the accomplishments and new initiatives developed by the GAO over the past year. I would like to briefly touch on a few exciting developments from 2008.

Early in the golf season, we celebrated the

achievements of three new inductees into the Ontario Golf Hall of Fame. Gerry Kesselring, along with the late Lloyd Tucker and Lex Robson were honoured in a memorable ceremony that highlighted the achievements of the new members while celebrating their contributions to golf in Ontario. We are very proud of these Ontario golfers and their accomplishments.

2008 was a very exciting year from a Player Development standpoint. After its initial launch in June of 2007, the Callaway Golf in Schools program has grown into a roaring success that will impact more than 15,000 students in Ontario every year. Embraced by teachers, parents and students alike, the program continues to give children a positive golf experience from a young age while teaching the inherent values and life-skills that form the core foundation of golf. The program also paved the way for the launch of the new First Fairways initiative, which saw a mobile cruiser visiting summer camps and community events throughout Ontario to further connect with future golfers in the Province.

An ongoing initiative of the GAO is the support of turf research through our annual financial donation and management support. In the past year, our Member Clubs have had to deal with such pressing concerns as the pesticide ban and water restrictions. This research helps explore alternatives and solutions to deal with these issues, and the continuing support of the GAO will benefit our member clubs in the future.

The GAO executes its championships at a world-class level that showcases both the broad range of talent in this Province and our beautiful member clubs. The generosity and support of these clubs allow us to offer high-level venues for our Provincial competitors year after year.

Once again, our Ontario golfers have been extremely successful at the National Level as well. I would like to recognize Ontario Amateur runner-up Cam Burke who clinched the 2008 Canadian Amateur title. Ontario Amateur Champion Dave Bunker captured the Canadian Mid-Amateur and Mid-Master titles, while Ontario Junior and Juvenile Boys Champion Mitch Sutton was crowned Canadian Junior and Juvenile Champion this past August. Team Ontario also scored its first Canadian Junior Boys team title in nine years, while the Ontario Women's team took home the RCGA Inter-Provincial Team Trophy at the Royale Cup Canadian Women's Amateur. Lastly, two GAO junior teams captured key victories this past summer, with a team comprised of Ontario junior girls capturing the Ruth Eller Cup and the Williamson Cup going home with a team of Ontario junior boys. The continued success of Ontario golfers is a key demonstration of the strength of the GAO's championships and programs.

I expect 2009 will prove to be financially challenging for our members and their clubs. With this premise in mind the Board and staff took the following actions;

- Decided that it is best that we continue to enhance and improve our programs which help to grow the game. Cutting these drastically could save only an insignificant amount of money per member.
- Conducted strategic planning sessions to review our programs and direction for 2009 and beyond,
- Conducted a detailed review of our previously completed 2009 budget removing a considerable amount of spending which could be avoided or postponed.

As a result we believe that we enter 2009 well prepared for its eventualities.

In closing, I would like to specifically thank all of our sponsors, donors and member clubs who continue to help the GAO promote amateur golf in Ontario. We truly appreciate all of your support. To our dedicated volunteers, I express my sincere gratitude for the countless hours spent helping to coordinate and deliver the many initiatives of the Association. It has been a pleasure to work with you, as without our volunteers none of what we do would be possible. Lastly, the Board of Directors and the various committees along with Dave Mills and all of the GAO staff, thank you for working tirelessly to make the GAO the successful organization that it is today.

Thank you for a wonderful year.

Respectfully submitted
D. Stephen James,
2008 Golf Association of Ontario President

D. STEPHEN JAMES
2008 GOLF ASSOCIATION OF ONTARIO PRESIDENT

SCHOLARSHIP COMMITTEE REPORT

Eighteen applications were received for GAO scholarships this year. On July 29th, the Scholarship Committee held a conference call to review the applications and determine the 2008 recipients. It was determined that a clause regarding funding for students attending American schools will be introduced to the scholarship application moving forward. It was agreed that any student attending a US institution where funds awarded through the GAO scholarship program are deducted be required to return the funds to the GAO in order to avoid impact on their NCAA funding.

In total, \$32,000 in scholarships were awarded, with individual scholarships in \$2000, \$2,500, \$3,500 and \$4,000 amounts. With the support of its generous sponsors and partners, the GAO has awarded more than \$200,000 in scholarships to dozens of deserving student golfers in Ontario. All recipients have maintained at least a 75% academic average, are enrolled in a 4 year post-secondary institution, are members of the GAO and are actively involved in the game of golf.

DISTRICT COORDINATORS COMMITTEE REPORT

In Ontario, the fourteen Districts form the link between the GAO, its members and clubs. 2008 saw several advancements at the District level, namely the introduction of the Intersectional Matches in the Kingston District, which we hope will be offered to other districts in 2009-10. Another new initiative is the District Challenges between the Hamilton, Niagara and Waterloo Districts and also the Huronia and Owen Sound Districts. Both of these programs afforded increased participation for GAO members at the District level. It is rewarding to see the huge increase of volunteers working within the Districts, particularly Men and Juniors, as they strive to develop more training programs and tournaments that include all levels of golfers.

The District Training Programs currently being offered in Huronia, Kingston and York Districts are being expanded to be available for all Districts to offer to their members in the near future. We expect to have the first portion of that program available to the Districts in the spring of 2009. It is entitled, "Learn to Play Better", and is a training program for Districts to offer to their 30+ handicap players. 2008 also saw the beginning of an innovative Rules Seminar which is being developed to be offered at the District Level in Spring 2009. Also, the District Home Pages on the GAO website offer a wealth of information about upcoming District events, contact information and past winners.

Congratulations to Jenny Ellis who has been named District Volunteer of the Year, 2008.

It was a pleasure for me to represent the Ontario Districts in 2008 and I'm proud of the accomplishments the Districts have achieved; growing the game through increased involvement for all levels of players; the training programs; and the competition at the District Level.

Respectfully submitted

Elaine Summers,

On behalf of the District Coordinators

2008 RULES AND COMPETITION COMMITTEE REPORT

Another year has been successfully completed, and most of us can hardly wait for winter to be over so that we can get the 2009 golf season under way! Running 28 championships and 59 qualifiers kept staff and volunteers extremely busy, and once again their considerable expertise and tremendous commitment to the GAO resulted in another successful season.

The Committee would like to express its appreciation to the many GAO member clubs who made their golf courses available to us. Competitors look forward to the opportunities presented when so many of the finest clubs in the province allow us to host qualifiers or championships at their facilities. In looking at the proposed 2009 schedule, next year will also provide some exceptional sites, and we anticipate that a number of events will fill up early.

The GAO and its members received the generous support of our sponsors, including Baka Wireless and Beck's Non-Alcoholic Beer. The tremendous support of Investors Group, which provides support to a whole host of tournaments, should be especially noted. It is the support of these sponsors that allows us to provide the high quality championships that our players have come to expect.

Two events, the Investors Group Ontario Men's Amateur Championship and the Investors Group Junior Boys' Championship, had lengthy weather delays as the result of heavy rainfall. The Committee would like to commend the superintendents and greens staff at the Islington Golf and Country Club and Whitevale Golf Club for the way in which they went about restoring the courses so that play could be continued. The players at these events are also to be commended for their considerable patience and understanding as we all tried to make the best of the very difficult situations in which Mother Nature had placed us.

Nationally, Ontario golfers fared very well in 2008. Dave Bunker captured the Canadian Men's Mid-Amateur Championship as well as the Ontario Amateur Championship. Mitch Sutton followed up his win at the Ontario Junior Boys' Championship with a thrilling, come-from-behind victory at the Canadian Junior Boys' Championship in Edmonton. Cam Burke was crowned Canadian Amateur Champion after his fine play in Alberta in August.

The GAO Pace of Play Policy introduced in the 2007 season was expanded to include qualifying events in 2008. Players, golf course owners and golf course managers were generous in their praise. Clubs which had been hesitant to host

events because of the impact of slow tournament play on their membership have been very supportive of the new policy. We will continue to monitor and refine the policy, but as players become accustomed to the policy, its expectations and applications, we anticipate that the need for penalty situations will diminish. Playing quickly and playing well need not be mutually exclusive.

As was noted last year, the use of the Blue Golf online entry system has served us well, and they continue to improve their product. The latest improvement will allow us to conduct player and member surveys, from which we will gather information on what we are doing well and what areas need to be improved.

Rules officials, and those contemplating getting into that area as volunteers, will see several new looks in the coming season. Larry Longo, considered one of the most knowledgeable rules officials in Canada, is working with the RCGA Rules Education Committee to develop a more extensive and comprehensive Level 3 Rules Course, which the GAO will administer in Ontario. Brent McLaughlin of the RCGA welcomed Larry's expertise, and we are looking forward to the new look, which they plan to implement this spring. The committee is also looking at a major revision to the RCGA Level 4 program as a part of their 2009 Rules course.

At the same time, Committee members Jim Furlong and Lee Griffin, two of our many veteran Rules officials, have been working on a training program which can be utilized at the club level to demonstrate, in a fun, hands on way, the application of rules in our every day rounds of golf. Jim and Lee introduced their program to the District Coordinators in October, and their engaging banter (along with Jim's props) made for an interesting and entertaining session. The plan now is to have this program made accessible to clubs in the province, with the end result being more knowledgeable players, and more people motivated to become Rules officials. Interested individuals and clubs can contact Sandy Davidson for more information and to schedule a Rules seminar.

In closing, may I take this opportunity to thank Dave Colling, Tournament Director, Larry Longo, Tournament Manager, and Sandy Davidson, Coordinator of Volunteers, along with our interns, for all that they have done to make the 2008 competitions so successful. We as a committee take our hats off to you.

Respectfully submitted
Bob McMenemy,
On behalf of the Rules & Competition Committee

Thank you 2008 Volunteers

On Behalf of the Board of Directors of the Golf Association of Ontario,
I extend my heartfelt thanks to all of our volunteers who have contributed valuable time and energy to support and grow amateur golf in Ontario. It is only with your dedication and commitment that we are able to provide the extensive programming that enriches and promotes this sport we all love so much. Your tireless service is much appreciated.

Respectfully submitted

D. Stephen James,

2008 Golf Association of Ontario President

Player Development

PLAYER DEVELOPMENT COMMITTEE REPORT

The Golf Association of Ontario continued its growth and expansion of Player Development programming in 2008 with the launch of another two new initiatives and significant growth with our staple programs.

2008 saw many notable performances from some of Ontario's most talented players. The season included three National Champions; Mitch Sutton – Junior Boys, Cam Burke – Men's Amateur and Dave Bunker – Men's Mid Am, as well as two Inter-provincial team victories at the Junior Boys, and Women's Amateur. The Ontario Team was also victorious at the Ruth Eller Cup in their long awaited win over Tennessee, as well as the Junior Boys' team that brought home the Williamson Cup.

The success of our players and programs is a testament to the focus and dedication the GAO takes with Player Development. We thank Mike, Dave, Mallory, and our coaches Dave, Ralph and Ann for their valued support and hard work.

CALLAWAY GOLF IN SCHOOLS

As the first full year of the Callaway Golf in Schools Program comes to a close, we are encouraged by the overwhelming positive response the program has received. The 2008 year saw 100 schools in 23 school boards in over 50 cities/towns across the province, our 16 golf professionals teaching the Golf in Schools program made lasting impressions on over 15,000 students, the majority of whom had never experienced golf before.

The GAO's goal to include another 100 new schools in 2009 comes along with the exciting partnership with the RCGA in the development of the National Golf in Schools Program. The National program will include all of the elements of the Callaway Golf in Schools program with the addition of program curriculum created by PHE and a full program roll out nation wide in the spring of '09.

FIRST FAIRWAYS

A new first exposure program focused on community events & summer camps, aimed at young children ages 5-9. The program introduced kids to golf using SNAG equipment set up in the form of a child-size golf course. Children got the opportunity to chip and putt their way through the course and the only requirement was having fun! Canadian PGA professional Andrew Cameron was hired to run this program in the months of July and August. The First Fairways program was very well received by over 45 sites across the province with a total of 1262 kids participating over the two month period.

WOMEN'S PROVINCIAL TRAINING PROGRAM

The 2008 season saw an overwhelming increase in applications for the Women's Provincial Training program, held at The Ladies' Golf Club of Toronto in late May. The GAO received a record number of 60 applications which was narrowed down to the 16 women selected. The two day program aimed at women with a 12 handicap or less looking to improve their skill, work with instructors and mentors like Ann Carroll and Mary Ann Lapointe. The program includes sessions on the rules of golf, nutrition, course management, short game testing and trouble shots.

WOMEN'S LEARN TO PLAY CLINICS

The Women's Learn to Play program increased to 13 clinics held in 9 districts and made lasting impressions on over 80 women. The clinics, open to all women, are designed for the ultra-beginner who is eager to begin golfing and is not quite sure where to start. CPGA professionals were on site to provide proper instruction and advice to create a relaxed and fun atmosphere.

JUNIOR SKILLS COMPETITION

The GAO held its first Jr. Skills Competition Series this season, where players tested their skills in the areas of driving, chipping, putting, and iron play. 64 kids participated at two qualifying sites (Hamilton & Kingston), the top male and

female finishers in each age category (12 & under, 13&14, 15&16) moved onto the finals held at Timber Ridge GC in Brighton, ON. The 2008 Jr. Skills winners are Mark Wodz & Alyson Bangma – 12 & under, Josh Whalen & Meghan Bennett – 13&14, and Derek Kessel – 15&16.

CANADA SUMMER GAMES DEVELOPMENT PROGRAM

In 2009 the sport of golf will be included in the Canada Summer Games for the first time. The event will be held in Prince Edward Island and Ontario will be sending a team of 6 golfers – 3 males and 3 females – all of whom are 18 years or younger as of August 29, 2009. The Golf Association of Ontario will select this team based on the Points Ranking System which includes a series of ranked events over the 2008 season and concludes with the 2009 Junior Spring Classic. The Golf Association of Ontario implemented a 2008 Canada Summer Games Development Program, designed to further increase our chances of winning gold. During the 2008 season the GAO hosted three camps for the players in the CSG Development Program, the first camp was held at Orange County National in Florida in February, the second camp was held during March break at Barefoot Resort in Myrtle Beach and the final camp was held at the Legends of Niagara in Niagara Falls in April of '08.

MSAF - MARLENE STREIT AWARDS FUND

The GAO is proud of its continued support of the MSAF by managing the fund and coordinating the award recipients. The 12th annual Ruth Eller Cup was held at York Downs GC in Unionville, ON. The Ontario team of Augusta James, Brittany Marchand, Taylor Schmidt and Natalie Gleadall were lead by non-playing captain Cathy Sherk. Team Ontario came out on top, winning the matches against a strong team from Tennessee. Natalie Gleadall and Augusta James also competed in the Western Junior Championship at Knollwood CC in Granger, Indiana. After a great start the girls found themselves facing off against each other in the quarterfinals where Natalie won to move onto the semifinals.

GAO PROVINCIAL TEAMS

It was another successful year for the GAO's inter-provincial and international teams including a victorious Junior Boys and Women's Amateur team, and multiple 2nd place finishes.

Results are:

Junior Boys' – 1st place – Mitch Sutton, Mackenzie Hughes, Brett Cairns, Patrick Williams.

Junior Girls' – 2nd place – Jennifer Kirby, Nicole Vandermade, Rebecca Lee-Bentham, Jacqueline Yanch.

Men's Amateur – 4th place – Dave Bunker, Shawn LaFontaine, Simon McInnis, David Markle.

Women's Amateur – 2nd place – Nicole Vandermade, Mary Ann Lapointe, Stephanie Sherlock, Jennifer Kirby.

Senior Women's – 2nd place – Ivy Steinburg, Jeanne Beaith, Sue Postian, Cheryl Damphouse.

Senior Men's – 4th place – Brian Jeffery, Roger Self, John Marlow, Kelly Roberts.

Williamson Cup – 1st place – Spencer Berk, Russell Budd, Daley Byles, Brendan Leonard

Team Ontario tied the Ada Mackenzie (New York State) Challenge Matches – Jane Kirkpatrick, Lynne Owen, Jeanne Beaith, Chris Critelli, Ginny Marshall, Carolyn Smith, Kathy Koselek, Susan Wickware, Cheryl Damphouse, Kathy Macmurdo..

Respectfully submitted

Liz Hoffman,

On Behalf of Player Development Committee

Marketing & Membership

MARKETING & MEMBERSHIP COMMITTEE REPORT

MEMBERSHIP COMMUNICATIONS

In 2008 the GAO conducted two surveys, a club survey and an individual member survey, in an effort to obtain feedback from our membership, regarding programs & services we offer. The Club survey was mailed out in July to 420 Club managers. We heard from 122 Clubs representing a 25% response rate. The individual member survey was conducted in October with 2400 of our members' replying.

Both survey results confirmed that course rating, the handicap system, our tournament program, our website www.gao.ca, training sessions, player development, just to name a few are all-important to the membership. However, the key area of improvement was in the area of communication about the specifics of all of our programming. Our objective going forward is to communicate, communicate, and communicate!

IMPROVING COMMUNICATION STRATEGIES FOR THE FUTURE INCLUDE:

- Continuing the use of the Member Services Handbook.
- Identifying GAO club representatives & providing them with job descriptions & what is expected of them in that role.
- Developing communications tools (online video and DVDs) related to our programming
- Developing a rules training program that will move throughout the province supporting the Districts, and hopefully aid in recruitment of rules volunteers.
- Assisting our member clubs who want to promote their club online with respect to membership drives and job postings.
- Enhancing our "E-newsletter" distribution to all members including club managers, who will hopefully drive our message to their respective members.
- Launching an "Ambassador Program", made up of interested volunteers armed with a short DVD presentation highlighting our programs & conduct a "Question & Answer" session about the GAO.

WEBSITE

Our website www.gao.ca continues to show remarkable growth. With the recent enhancements and enhanced interactivity of the new site we have surpassed the 2 million page views mark, an increase of over 45% from last year!

Similarly, in 2008, the GAO Online Auction saw significant growth. With the addition of a new hosting partner (Auction Jam) the GAO was able to raise over \$28,000 this year for junior programs, which was an increase of over \$6700 from last year.

SPONSORSHIP

It was a successful year in terms of sponsorship for the GAO. Although we did not add many new additions to the portfolio we were able to increase the amount our current sponsors invested with us this past year. Callaway and ClubLink both increased their contributions to the Golf in Schools program in 2008 and will continue to support the program moving forward.

A new addition to the sponsorship portfolio in 2008 was the Granite Marker Sales Program in partnership with TTG Custom Signage. As of September, seventeen clubs had placed orders with the program for over 950 markers. As a result the GAO received close to \$5000 in additional revenue for the GAO junior program through this initiative.

MEMBERSHIP

Clubs with Real Estate showed a slight increase in 2008 with 423 clubs fully registered. Non Real Estate groups remained status quo while our Public Player Program continues to see a steady growth with an increase of approximately 14% over last year. Our overall numbers for individual membership remain on par with the previous two years. Marketing our Public Player Program through Public Clubs did not achieve the success we had hoped for and we are in the process of designing new programs to increase our membership base.

The newly designed Club Member Services Handbook was a success and we will provide updates annually to all clubs. The Handbook is provided to all new clubs as part of their orientation package. Hole in One and Club Champion Certificates continue to be extremely popular at the club level with 336 and 900 certificates respectively being delivered to members in 2008.

Membership information sessions were held in Northern, London, Waterloo and Huronia Districts this year reaching both member and non member clubs. The club visitation process continues to be a valuable educational tool and we are in the process of developing new presentation material to assist GAO Ambassadors deliver our message on the many benefits of membership within the GAO.

Our Volunteer Program continues to thrive and we are working hard to develop new communication pieces to assist in the recruitment and retention of this valuable sector of our membership. In 2008, we introduced a monthly electronic communication to all volunteers to keep them informed. 2008 also saw the introduction of our mandatory volunteer screening program - the process went smoothly and with little disruption for anyone while insuring that the GAO continues to remain current in our ever changing world. Our plans for 2009 include a continuing focus on establishing Club Representatives for each member club and an increased focus on Volunteer training through the use of video presentations.

We remain strong in our commitment to growth of membership through excellent communication and services.

Respectfully submitted

Kathy Pilkey,

On behalf of the Marketing & Membership Committee

Handicap & Course Rating

HANDICAP AND COURSE RATING REPORT

Members of the Handicap and Course Rating Committee met during the 2008 season to fulfill committee mandates in the following areas:

HANDICAP CERTIFICATION

Each member club must have a Handicap Committee whose members should have attended a Handicap Certification Seminar. Six Handicap Certification Seminars were held across the province this year, allowing 140 members from 80 clubs to become certified Handicap Officials. To date, a total of 997 members from 403 clubs have been certified through this process over the past few years. Most GAO member clubs have now migrated to the on-line RCGA Handicap Network. To date, 401 of the 426 member clubs have signed and returned the RCGA License Agreement, ensuring compliance with the RCGA Handicap System and enabling the issuance of valid RCGA Handicap Factors to their members.

COURSE RATING TEAMS

At this time, virtually all rating teams in all districts are rating for both men's and women's ratings when they visit a club. This has resulted in greater efficiency for the raters and better consistency in their ratings, with less disruption for the clubs. Many course rating teams are now comprised of both male and female raters.

During the 2008 golf season, 77 clubs were rated, representing a completion rate of 95 percent.

A team of four experienced raters represented the GAO at the USGA Calibration Seminar in Port St. Lucie in January 2008.

COURSE RATING TRAINING

The USGA issued a revised Course Rating Guide for the period 2008-2011 and a full-day seminar was held in May to introduce the new Guide and to highlight the changes. Thirty-eight Course Rating Team Leaders and experienced raters from across the Province attended and rated the seminar highly.

A new course rating team was recruited for the Waterloo District and training of that team was completed during the April to June period. The team has been rating on its own since then.

As well, a new course rating team has been recruited for the Owen Sound District. Training began in August and is expected to be completed in the spring of 2009.

On behalf of the GAO may I extend commendation and appreciation to my rating colleagues who willingly committed their time, expertise and energy to further the work of the Committee.

Ontario Golf Hall of Fame

The ninth annual Ontario Golf Hall of Fame Induction Ceremony was held on May 7th, 2008 in conjunction with the GAO's media and sponsor day at Wooden Sticks Golf Club, home of the GAO and the Ontario Golf Hall of Fame. Three new members were welcomed into the hall; Gerry Kesselring, Lex Robson, and Lloyd Tucker.

Hosted by CTV and TSN sportscaster Rod Black, the induction ceremony highlighted the achievements of the inductees while celebrating their contributions to golf in Ontario.

With nearly 150 guests in attendance, the ceremony illustrated the respect and admiration that exists for the three inductees. A highlight of the evening included the attendance of Gerry Kesselring, who delighted guests with a humble acceptance speech that included anecdotes from his illustrious golf career. Family and friends of Lex Robson and Lloyd Tucker accepted on behalf of the inductees, sharing memories during Robson and Tucker's posthumous inductions.

GERRY KESSELRING

Gerry Kesselring captured numerous titles in his career from a young age, including the Ontario Junior Championship in 1945, 1946 and 1948, and the Canadian Junior Championship in 1946 and 1947. Kesselring turned professional in October 1953, and played on the PGA Tour from 1954 to 1957, when he returned home to be with wife Helga and family. Included in his achievements are the Ontario Open in 1952 and 1953; Ontario Open as a Professional in 1956 and 1957; the Ontario Amateur Championship in 1949, 1951, 1952 and 1953.

LEX ROBSON

Lex Robson was the CPGA Match Play champion and winner of the Millar Trophy on six occasions during the 1930s, the CPGA champion in 1932 and Canadian Open runner up in 1933. Due to his remarkable performance he received an invitation to play in the inaugural Masters at Augusta National in 1934 but unfortunately was unable to attend. Robson spent time as head pro at Islington and Lakeview in the 1930s before moving to Kawartha G&CC in 1940. He remained the head pro at Kawartha for 25 years, wrapping up his career in 1964. Lex passed away in 1976.

LLOYD TUCKER

Lloyd Tucker is remembered as one of the best teaching professionals in Canada, having developed Gerry Kesselring, Gary Cowan and Moe Norman, all of whom won provincial, Canadian or International titles. Tucker became a golf caddy at the age of eight, and by age fourteen was the golf pro at Seagram's French River Golf Course. He later became the professional at the Grand River Golf Club and in 1938, at Rockway Golf Club. Twice he was runner-up for the Miller Trophy match play for professionals, and in 1951 played on the CPGA team against the U.S. Ryder Cup team for the Hopkins Trophy.

Congratulations to all!

We continue to encourage nominations to the Hall of Fame with the appropriate literature available online or from the GAO office. Please remember that the Hall of Fame is open year round and that we continue to accept donations to further the undertakings of the Hall.

Respectfully submitted
Ian Giles,
On behalf of the Hall of Fame Committee

Volunteer Recognition

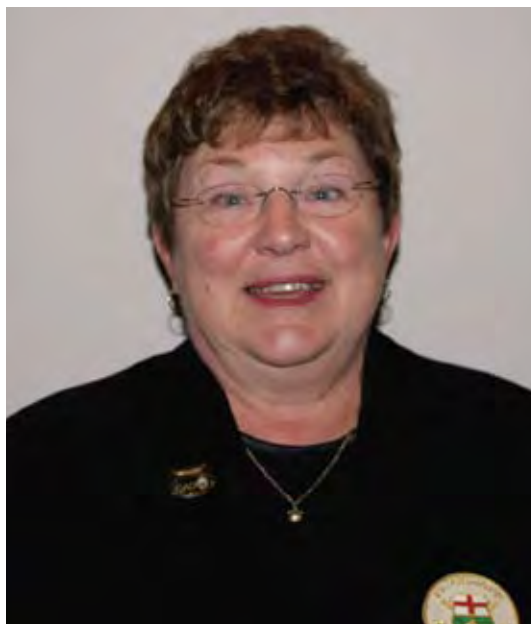

The GAO recognizes those Directors who contribute their time and hard work over period of time. The Honorary Life Director Award is awarded at the discretion of the Board of Directors, following nominations from our Nominating Committee. Without exception, the recipients of this award have given unselfishly of their time to promote Amateur golf and the Golf Association of Ontario and have done so over a long period of time in a variety of ways.

Trenton's Anna Poste has devoted countless hours of her time to golf in several different capacities. Her passion and dedication is evidenced by her commitment to bettering the game in this Province for nearly three decades. After taking up golf in the late 1970's, the former health care employee was already volunteering at the district level of the Ontario Ladies' Golf Association by 1980.

Poste was immediately attracted to the fairness of the game provided by the rules, and stepped into the role of OLGA Kingston District Rules convener from 1980-1984 and again from 1996-1998. She received her National Rules Certification in 1982 and has since served as a rules official at the local, provincial, and National level including at the Canadian Men's Amateur and the LPGA's Nation's Cup.

A longtime member of Trenton Golf Club, the proud grandmother of five has served as Ladies' Captain and President. Organized and determined, Poste has also been part of the Kingston District Player's Training Program Committee for more than a decade.

Along the way, Poste has filled significant roles in the OLGA and the Canadian Ladies' Golf Association (CLGA), and was a member of the Transition Board during the amalgamation process of the OLGA and the Ontario Golf Association. Her experience made her an easy choice for the role of President of the newly amalgamated Golf Association of Ontario in 2003, after serving as First Vice President in 2002. Poste became the first woman to serve as GAO President, and was also the first female elected as a "C" Class Governor of the RCGA. On top of her long list of volunteer roles and accomplishments, Poste has served on numerous committees for both the GAO and RCGA over the years.

Anna Poste

2008 GAO Honorary Life Director Award

Anna Poste is well known as a caring and dedicated part of the golf community who will always greet you with a smile. Her dedication to the game of golf coupled with her positive attitude and unwavering commitment to bettering the game has made her an invaluable asset to the GAO.

Volunteer Recognition

The GAO Volunteer Recognition program has been designed to recognize outstanding performance and contributions by volunteers who have played an instrumental role in promoting the growth and development of amateur golf throughout the Province of Ontario while preserving the integrity and traditions of the game.

All individuals who are currently active members of the GAO and have been involved with the Golf Association of Ontario in a volunteer capacity for more than three consecutive years are eligible for nomination. These individuals will have made a significant contribution to amateur golf in Ontario through various GAO initiatives.

Bob Heath
2008 GAO Volunteer of the Year

BOB HEATH

Bob Heath of Newmarket is the 2008 GAO Volunteer of the Year. A member of South Muskoka Golf & Country Club, Heath considers the time he spends volunteering with the GAO to be his second career. Heath serves as The Chairperson of the GAO's Handicapping and Course Rating Committee and the Team Leader of the Huronia Rating Team. He has been instrumental in the training of course raters for the GAO; Heath has trained 5 new course rating officials for his team over the past three years, and has instilled a love for the job in each of them. He has also conducted several District sessions and on-course exercises with teams in Waterloo and Owen Sound at several different clubs. Involved in sports throughout his life, Heath was the Supervisor of Referees for the Greater Toronto Hockey League and was a referee in the Ontario Hockey League.

Heath is continually working to promote the GAO's programs and initiatives throughout the province, teaching an accredited Rating and Handicapping course at Georgian College and serving as Chair for a number of seminars developed for course rating officials. Educated at the University of Toronto, Heath also authored and co-authored several science and physics textbooks still in use across Canada today. His analytical mind and affinity for teaching coupled with his genuine love for the game make him an invaluable resource in the field of course rating and handicapping. A patient and generous volunteer, Heath gives hours of dedicated service to the game of golf. The GAO is proud to recognize Bob Heath as the 2008 Volunteer of the Year.

JENNY ELLIS

The GAO District Volunteer of the Year Award is another way the GAO honours its volunteers. This award recognizes those volunteers who embody the spirit of volunteerism and have shown dedication by making a significant contribution in promoting, supporting and expanding amateur golf within their District. The

Jenny Ellis
2008 GAO District Volunteer of the Year

2008 recipient is Jenny Ellis, of the Kingston District.

A GAO volunteer for over 15 years, Ellis has been the backbone of the Kingston District. She has consistently demonstrated an outstanding commitment to all aspects of amateur golf, as a member of the course rating team, leading the Women's Player Development program and serving as District Coordinator for the past three years – and competing at the Club, District, Provincial and National levels.

Ellis' enthusiastic approach to leading the Kingston District includes her ability to motivate others and find solutions to challenges that arise while searching for innovative ways to improve current practices within the District. Working tirelessly to ensure the continuing growth and development of amateur golf in Ontario, Ellis has been an inspiration to golfers and volunteers alike.

HELEN MCGREGOR

The third volunteer recognized is Oakville's Helen McGregor, who receives the Distinguished Service Award. McGregor's unwavering dedication to the GAO for more than 20 years has earned her this award in 2008.

McGregor has been proactive in her involvement with several different sectors of the Mississauga District. Earning her Level 4 Rules certification, she has worked extensively to give rules seminars while providing advice and support. She also became a course rater, and while rating courses she would work to secure the course for a future District event, with much success throughout the years. McGregor is known for her caring, encouraging demeanor and as someone who is always there to cheer her colleagues on.

An accomplished golfer, McGregor first picked up a club at age 47 and has since competed in many District and Provincial events. The former District Coordinator and Chairman of the District for the OLGA has never failed to pick up the baton when it fell and continuously puts her heart and soul into supporting amateur golf both in the Mississauga District and throughout the province.

Turf Grass Research

ONTARIO TURF GRASS RESEARCH FOUNDATION PARTNERSHIP

Over the past two years, The Golf Association of Ontario has forged a strong partnership with the Ontario Turfgrass Research Foundation (OTRF), a volunteer board of professionals dedicated to the future of turf research.

A registered charitable foundation, the OTRF supports scientific research of turf culture for the advancement of the turfgrass industry, and provides funding through donations to turf research in Ontario.

The GAO supports this initiative by providing an annual donation to the OTRF on behalf of its member clubs and individual members. A \$0.50 portion of annual dues collected from each adult member is donated to the OTRF, further developing turfgrass research in Ontario. GAO staff have also served on the OTRF Board of Directors and as Advisors to the organization.

As industry forces and government regulations continue to put pressure on various facets of golf course maintenance - use of pesticides, water, nutrients etc - it is essential that the golf industry be proactive in finding solutions that will maintain the playing conditions that are required, while recognizing the need to adapt to change.

Some of the existing research the OTRF conducts include the development of biocontrols and pesticide alternatives for managing snow mould, phosphorus management for increased water use efficiency, thatch management in putting greens, management of velvet bentgrass turf for use in reduced input golf course putting greens, and developing organic methods for control of turfgrass diseases and root rot in Ontario. Essentially, the results of these tests assist golf course superintendents in lowering the amounts of pesticides and water they

use throughout their course helping greens and fairways stay rich and green right through the golf season.

A majority of the funds are allocated to the turf research at one of the largest and most active turfgrass research centers in the world, the Guelph Turfgrass Institute. Accomplished results from the OTRF funded turfgrass research projects are shared for the benefit of the public and industry end users.

The research conducted by the OTRF is vital to the golf industry and benefits both the golf courses and the individual members that participate in the game, making the partnership between the GAO and the OTRF a mutually beneficial relationship.
