## GOLF ASSOCIATION OF ONTARIO

The Golf Association of Ontario is the Provincial Sport Organization for golf. We share a passion for golf, preserve the past, build the future, and champion golf's best interests for everyone who enjoys the sport.

On March 31, 2001 the membership of the Ontario Golf Association (est. 1921) and the Ontario Ladies Golf Association (est. 1926) voted overwhelmingly to amalgamate the two organizations and form a single golf association to be known as the Golf Association of Ontario. The GAO gained official status in November, 2001 and will celebrate its tenth anniversary in 2011.

With over 420 member clubs and over 115,000 individual members, the GAO is one of the largest

golf associations in the world.

The GAO plays an important role supporting and promoting many aspects of the game, including a provision of services to member clubs and to individual members as well as contributing to the "Good of the Game."

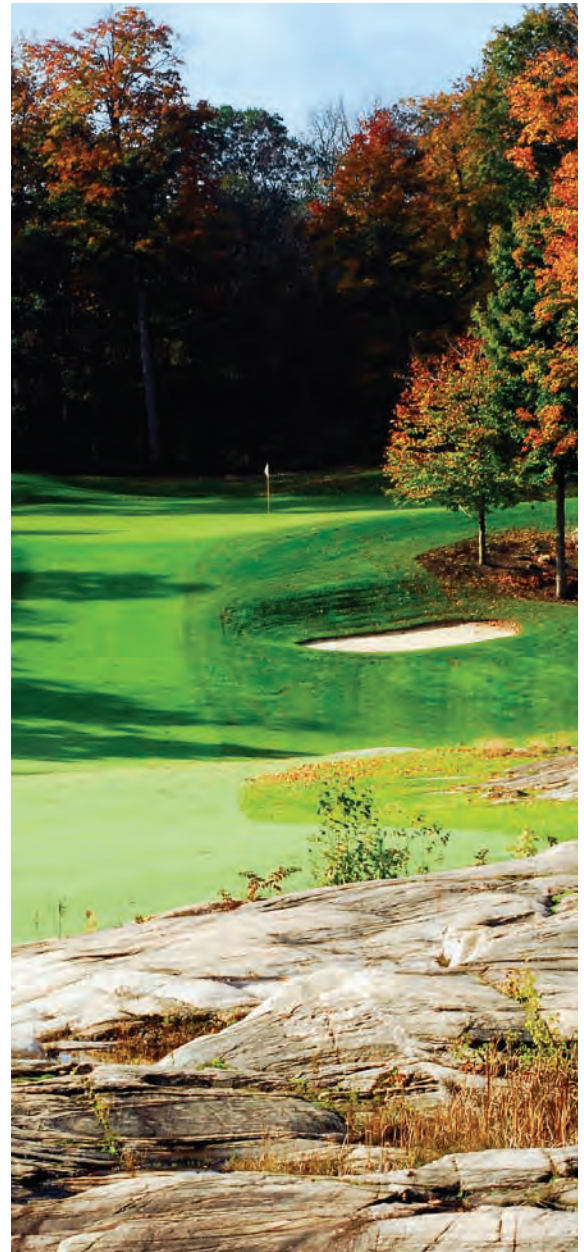

The GAO is a non-profit organization governed by a volunteer Board of Directors and supported by Volunteer Committees and Club Representatives throughout the province. Each member club has the opportunity to designate representatives to work with the GAO and to represent the club's interests within the Association. The strength of the GAO lies in its broad range of membership support through Ontario.

### Funding for programs conducted by the GAO comes from:

- Corporate and Private Donations
- Program Participation Fees

# President's Report

**JOHN SWIFT**

2010 GOLF ASSOCIATION OF ONTARIO PRESIDENT

It seems like only yesterday that I had the opportunity to speak with you as the Incoming President, and here we are a year down the road. It's time to look back on 2010 and acknowledge everyone who helped make it such a tremendously successful year for the Golf Association of Ontario.

A great deal has happened in 2010. That seems to be the case every year with the GAO, and that's a good thing. While there have been countless highlights, my most memorable moment was seeing our young golfers participate in the Ontario Summer Games in Sudbury. This was the first year in which golf was included in the Games as a conditional sport. It was a fantastic experience for all those involved, and through the efforts of the players, volunteers and staff, golf will be recognized as a Core Sport in the 2012 Ontario Summer Games in Toronto. This is a wonderful achievement for our sport as it continues to grow across the province.

model in the Fall. The new governance model will ensure that our approach is consistent with current models and will ensure that the Board, our committees and staff all have clearly defined roles and responsibilities.

Another milestone in 2010 was the celebration of the tenth anniversary of the Ontario Golf Hall of Fame. At the ceremony a new member was inducted – none other than Mike Weir – which illustrates how the Ontario Golf Hall of Fame has grown in importance over the years.

Nothing occurs at the GAO without the support of a number of stakeholders of our association, none more important than our volunteers. These dedicated individuals give back to the game through their involvement in club relations, committees, course rating, tournament support and many other important roles. Without their commitment and knowledge, our programs could never be delivered at the level of excellence we demonstrate every day.

I would also like to recognize all of the partners that support the game through their involvement with the GAO. A large supporting cast of sponsors, The Ontario Trillium Foundation, The Ontario Ministry of Health and Sport Promotion, Golf Canada, and most importantly our members and member clubs throughout Ontario ensure the growth and development of this great sport.

It has certainly been a year at the GAO I won't forget, and one that I am extremely proud to have been part of. I would like to thank my fellow 2010 Board members who provided their time and leadership to make golf a better game in Ontario. I know that as Kathy Pilkey assumes the role of the President for 2011 the Golf Association of Ontario is in good health and good hands. I am positive that the GAO will continue to be recognized as one of the leading amateur golf associations in North America.

Respectfully submitted,

**John Swift**

2010 Golf Association of Ontario President

This past year has been another tremendous season for our Ontario athletes. Many were very successful at the provincial, national, collegiate and international level.

One major victory that stands out was Team Ontario's win at the Can-Am Matches in South Carolina. With the addition of junior girls to the competition in 2010, it was a memorable experience for all concerned. These accomplishments do not occur without the necessary support from our outstanding GAO coaches and Integrated Support Team. Furthermore, the contributions from the Ministry of Health and Sport Promotion and their funding programs have made a big impact in the development of our athletes.

The GAO undertook a brand audit in 2010 and we would like to thank Brandfire for their help in this process. With our new logo now launched, we are working on implementing a number of programs and initiatives that better serve our members as dictated in the findings from the audit. Moving forward, you will find we have committed a number of resources to improve our communications with member clubs and golfers throughout the province.

The governance of the association was another focus for 2010 and we successfully changed our

## HANDICAP AND COURSE RATING REPORT

Members of the Handicap and Course Rating Committee met during the 2010 season to fulfill committee mandates in the following areas:

### Handicap Certification

Each member club must have a Handicap Committee whose members should have attended a Handicap Certification Seminar. We conducted five Handicap Certification seminars allowing 131 members from 51 clubs to become certified Handicap Officials. To date, a total of 1249 members from 351 different golf clubs have been certified through this process over the past several years. In addition to these Handicap Seminars, we also held a Handicap Summit at The Toronto Hunt Club which 28 Club Handicap Committee members attended representing 21 golf clubs. The Handicap Summit is a meeting designed to share ideas and information pertaining to administering the RCGA Handicap System at the club level. The session was very well received and will most likely become an annual event.

To date, 421 member clubs have signed and returned the RCGA Handicap License Agreement (HLA). The HLA helps to ensure compliance with the RCGA Handicap System and enables clubs to issue valid RCGA Handicap Factors to their members. Most GAO member clubs (316) are using the RCGA Network (Handicap program) to maintain Handicap Factors for their club.

### Course Rating Teams and Training

During the 2010 golf season, 74 courses were rated, representing a completion rate of 92 percent.

Concerted recruiting efforts continue in order to complete team set ups in the Northern, Niagara and Owen Sound Districts. A large training session was held at Glenway Country Club for both existing and new raters in the Spring, which helped re-educate existing raters, and educate new ones.

We saw one Team Leader in the Kingston District retire from duty, but the District is still very strong in leadership with another Team Leader still in place.

As we always do, we very much appreciate all Course Rating volunteers who willingly committed their time, expertise and energy to further the work of the Committee and represent the GAO so very well.

Respectfully submitted

**Craig Loughry,**

Director of Handicapping and Course Rating

## DISTRICT COORDINATORS COMMITTEE REPORT

There are 14 Districts within the Province of Ontario, offering a variety of programs for all levels of golfers within their geographic area. Each District appoints a Volunteer Executive that organizes and conducts a variety of programs such as Adult Training Programs, District Inter-sectional Matches, District Challenges, Net Events, and District Championships.

Participation in District Programs continues to grow thanks to the diligent efforts of the District volunteers. In 2010, Kingston District's inter-sectional matches expanded introducing a junior division attracting 56 juniors. The District Challenge between Niagara, Hamilton, Waterloo and Mississauga continues to flourish. The Adult Training Programs provide a friendly training experience for the higher handicap golfer expanded by running in a number of Districts and by introducing a second level for the mid-range handicap golfer.

It was a pleasure for me to chair the District Coordinators Committee. Each District is to be commended for a very successful 2010.

Respectfully submitted,

**Gilles Hurtubise**

## 2010 RULES & COMPETITIONS REPORT

Great weather, outstanding host courses, a large group of dedicated and hard-working tournament volunteers and fantastic play by our champions led to another very successful year for the Tournament Program at the GAO.

The already busy tournament schedule increased in number in 2010 with some exciting new events. Golf's inclusion in the Ontario Summer Games resulted in the GAO conducting the 36-hole competition for Juvenile-aged boys and girls at Timberwolf Golf Club in Sudbury. The success of the tournament resulted in golf being named a Core Sport for the next Ontario Summer Games in 2012 in Toronto.

Also added to the tournament calendar in 2010 were seven One-Day Net Events. These fun and friendly competitions were designed to give all GAO members the opportunity to play in GAO-conducted tournaments. Our sincere thanks for making the first year a success goes out to all the GAO members who played in the events, to the GAO member golf courses that hosted the tournaments and to the GAO volunteers. These events were played at The Club at North Halton in Georgetown, Beverly Golf & Country Club in Copetown, Wooden Sticks Golf Club in Uxbridge, Angus Glen Golf Club in Markham, Eagles Nest Golf Club in Maple, National Pines Golf Club in Innisfil and Cutten Club in Guelph.

Despite the continued global economic concerns and the implementation of the HST on July 1st (which added eight per cent to the cost of entries), the GAO showed a slight increase in the number of entries for its championships and qualifiers. Without the hard work and countless hours of support from GAO and club volunteers, we would not be able to continue to operate this vast a tournament program in the short golf season in Ontario.

The GAO is also very fortunate to receive the generous support of a group of sponsors. Without these supporters, we would not be able to deliver the level of quality that has been seen over the past number of years.

Leading the way in amateur sport sponsorship is Investors Group, which is the title sponsor of the Men's and Women's Amateur, the Men's and Women's Mid-Amateur, the Men's and Women's Senior as well as the Ontario Junior Spring Classic, the Ontario Junior Girls' Championship, the Ontario Junior Boys' Championship and the Ontario Junior Boys' Match Play Championship. Our thanks also go out to Baka Wireless, title sponsor of our Public Player Championships.

While we truly appreciate the support of all the member clubs who host our qualifiers and single day events, special thanks must go out to the clubs that hosted multi-day championships in 2010 – Wooden Sticks, Lake Joseph, Donalda, Idylwyld, Oslerbrook, Barcovan, Rivendell, Listowel, Loyalist, the Club at North Halton, Puslinch Lake, Hawk Ridge, Ambassador, Black Diamond and Glendale. Thanks to the continued support of the Clublink Corporation, we were able to conduct the four-event Under 15 Tour for boys and girls again this past summer.

While we continued to deliver the 'Brush Up Your Rules' program at GAO member courses throughout the year to hundreds of members, the Rules Sub-Committee focused its efforts in the area of Rules Education and Training for current and future GAO Rules Officials. Thanks to the hard work of Jim Furlong, Lee Griffin and John Turner, new programs to deliver the Level 3 and 4 Rules of Golf programs were designed and piloted in 2010. These programs will be fully implemented in 2011, which will result in an increase in the number of certified Rules Officials in Ontario over the next few years.

The Rules & Competition Committee extends its most sincere appreciation to these three dedicated individuals for their commitment to Rules Education and Training in the province of Ontario.

This fall, for the second year in a row, we conducted a Tournament Survey, which gave all tournament players a chance to evaluate the GAO's Tournament Program and to provide input into the future of our championships. This important feedback helps the Committee respond to its customers by continuing to upgrade its program.

New for 2011 will be an expansion of the One-Day Net Event program to 12 tournaments and, as part of the GAO's 10th anniversary celebrations, the re-introduction of the Southpaw tournament. The left-handers tournament, which has been dormant since 1970, will be played at Whitevale Golf and Country Club on September 26th.

In closing, I would like to take this opportunity to thank the Rules & Competitions Committee members for their input and support and our tournament staff for their continued dedication to delivering a high quality tournament program. My personal appreciation goes to Dave Colling, Director of Rules & Competitions, Larry Longo, Tournament Manager, Sandy Davidson, Coordinator of Volunteers and our Interns (Dennis MacGorman and Matt Doherty) for their work throughout the year.

Respectfully submitted

**Bill Muzak,**

On behalf of the Rules and Competitions Committee

# Thank You 2010 Volunteers

On behalf of the Board of Directors of the Golf Association of Ontario, I extend my heartfelt thanks to all of our volunteers who have contributed valuable time and energy to support and grow amateur golf in Ontario. It is only with your dedication and commitment that we are able to provide the extensive programming that enriches and promotes this sport we all love so much. Your tireless service is much appreciated.

Respectfully submitted,  
**John Swift,**  
2010 Golf Association of Ontario President

# Sport Development

It was another banner year for the Golf Association of Ontario and its continued effort to move the sport of golf forward in Ontario including tremendous growth in its core programming.

2010 was marked by significant performances by Ontario's top athletes including five individual National Championships; Richard Jung - Junior Boys', Rebecca Lee-Bentham - Junior Girls', Albin Choi - Men's Amateur, Dave Bunker - Men's Mid-Amateur and Mid-Master and Mary Ann Hayward - Senior Women. The GAO Inter-Provincial Teams also captured five of seven team titles: Women's Amateur, Junior Boys', Junior Girls', Men's Mid-Amateur and Senior Women. Ontario also finished well in International Championships including: (USGA) Jennifer Kirby & Stephanie Sherlock - Women's Am Semi-Finalists, Richard Jung - Junior Am Quarter-finalist, Mary Ann Hayward - Senior Women's Semi-Finalist and (British Ladies) Rebecca-Lee Bentham - Women's Am Semi-Finalist.

The GAO also hosted the Williamson Cup for the first time in 10 years, which was contested at Essex Golf and Country Club in Windsor. The continued success of our athletes and programs is a testament to the focus and dedication that the GAO takes with its sport development initiatives. We thank Mike, Mallory, Mary Ann, and Jon for their efforts over the last year.

## NATIONAL GOLF IN SCHOOLS & CALLAWAY GOLF FOR KIDS

Golf in elementary schools across Ontario continued to grow at a rapid pace including 272 new schools registering in the National Golf In Schools program in 2010.

As part of Callaway Golf For Kids, the Mr. Knickers and Friends program reached over 12,000 students while over 100 youth benefited from Future Champions Clinics. All of this was made possible through the Trillium Foundation and regional support including: Windsor District Junior Golf Academy, Limestone Foundation and Cathy Goodfellow, ClubLink, Golf North, Coppinwood GC, Bruce's Golf Rewards and Mix 97 in Belleville.

## CN FUTURE LINKS

2010 was another successful year, as the GAO continues to support CN Future Links and its family of programs.

Contested in late August, the GAO held the Provincial Skills Challenge Final at Ambassador Golf Club in Windsor and the age winners included: Luc Warnock and Hailey Katona - 11 and Under, Matthew Leckie, Blake Hill, Colton Vriesacke and Hollie Carr - 12-14 and Brad Mellon and Jordan Schatz - 15-18.

Also, the Mobile Van program kept rolling with CPGA Professional Gary Price and University of Memphis Graduate Gavin Aldridge, who introduced over 10,000 youth to the sport over the summer months.

## GOLF DEVELOPMENT CENTRES

The GAO is excited about the launch of Golf Development Centres (GDC's) in 2011 which will provide juniors a clear developmental pathway with proper coaching support. GDC's will offer competitive training programs following initiation to the sport at clubs across the Province. All centres will be certified through the GAO.

## COACH DEVELOPMENT

The GAO has taken the lead in supporting Ontario golf coaches in partnership with the Ministry and CPGA zones in Ontario. Coaching is an incredibly important piece to athlete development and they are critical to the success of GAO programming at all levels. The coach development program includes: Ontario Golf Coaching Summit - April 11-13th 2011 in Niagara Falls, Ontario, Golf Coaches website [www.coaching.gao.ca](http://www.coaching.gao.ca), and joining coaches as member of the GAO.

## ONTARIO SUMMER GAMES

History was once again made this year as golf made its debut at the Ontario Summer Games at Timberwolf GC in Sudbury. The event featured the top 25 boys and 25 girls under the age of 17 in Ontario. At the conclusion of play, six athletes reached the podium. Boys: Tuner Southey-Gordon - Gold Medalist, Matthew Scobie - Silver and Matt Lemay - Bronze.

Girls: Brogan McKinnon - Gold Medalist, Meghan McDougall - Silver and Casey McNeil - Bronze.

As part of the Games, the GAO embarked on a legacy project that included start up of a Golf Development Centre in Sudbury, Future Champions Clinic for local youth and opportunities for local coaches to experience the Games.

## CAN-AM MATCHES

Sixteen of Ontario's best junior golfers won the 12th Annual Can-Am Junior Team Matches in Myrtle Beach, South Carolina. The victory marks the third time that Ontario has hoisted the trophy, and the first time that the win has been shared by a team of both male and female athletes. The event is held each year at Wachesaw Plantation Club in Murrells Inlet, SC, and until 2010 was exclusively as a junior boys' event. The top 16 ranked junior golfers (eight boys and eight girls) from the Golf Association of Ontario are matched up against the top 16 juniors from South Carolina.

## TEAM ONTARIO DEVELOPMENT PROGRAM

The GAO has implemented several new initiatives for the 2011 golf season to further advance the development of high performance athletes in the province. 2011 will see the GAO's High Performance strategy focus on two main athlete development programs; Under 19 and U17 Team Ontario. The GAO is also pleased to announce that The Lodge at Ventana Canyon in Tucson, Arizona will host U19 Team Ontario for two training camps during the winter season.

## MARKETING AND MEMBERSHIP

The GAO had a very exciting year in the area of Marketing and Membership. We kicked off the year assisting our national body launch the new Golf Canada brand and membership campaign and we will end it with the completion of our own brand audit and the launch of the new Golf Association of Ontario identity and communication platform.

Staff representation at the Olympic Games in Vancouver, our most successful online auction to date, the additions of three new long term sponsors as well as the launch of our new website and internal database system all contributed to an exceptional year for the committee and staff.

Onsite media and sponsor relations at tournaments, marketing support for our growing sport development initiatives and our commitment to providing high quality services and benefits to our members have remained a priority throughout the season.

Our cautious projections with respect to membership growth for 2010 proved to be wise as we finished the year with club membership down slightly but with solid growth again in the Public Player Program.

The completion of our brand audit has provided us with the information and tools we need to continue to be a viable Association for our members and to enable us to reach out to the golfing community at large to grow the sport of Golf in Ontario.

**Kathy Pilkey,**

On behalf of the Membership and Marketing Committee

## SCHOLARSHIP REPORT

With the support of its generous partners and sponsors, the GAO awarded \$38,000 to 12 deserving student golfers in the province of Ontario. This year, recipients received awards between \$1,000 and \$4,000 to assist with their continued education at the post secondary level. All recipients have maintained at least a 75% academic average, are enrolled in a post secondary institution, are members of the GAO and are actively involved in the game of golf.

All individuals who are currently active members of the GAO and have been involved with the Golf Association of Ontario in a volunteer capacity for more than three consecutive years are eligible for nomination. These individuals will have made a significant contribution to amateur golf in Ontario through various GAO initiatives.

## ROY BRATTY

Roy Bratty of London is the 2010 Volunteer of the Year.

Roy has been volunteering his time with the GAO for more than ten years in several different capacities; as a Club Representative, GAO Ambassador, District Rules Convener, Player Development Convener, Provincial Rules Official, and London District Coordinator from 2003-2009. As a Level 4 Certified Rules Official, Roy is a familiar face at district, provincial and national events dedicating his time as a Rules Official or Site Coordinator, and can also be found lending his expertise to GAO rules seminars and workshops. On top of his commitments to the GAO, Roy has also been involved with several university and college golf championships, and has developed a special interest in the growth of the game and the development of young golfers. A member at Highland Country Club, Roy is currently working to help set up a Golf Development Center for promising under 17 golfers in the London area that will provide an elevated level of training for athletes in the London Girls' Club. He has also been a strong advocate and supporter of the Callaway Golf for Kids and National Golf in Schools programs.

Roy is very understanding and patient with all that have the opportunity to work with him. Many golfers, particularly young players, find Roy very approachable and helpful both on and off the course. He has the ability to put everyone that he deals with at ease while doing his job with a very high level of integrity and respect for the game of golf. Roy's continued commitment to excellence in his role as a volunteer makes him an invaluable part of the GAO, and we are honoured to recognize Roy Bratty as the 2010 Golf Association of Ontario Volunteer of the Year.

## GILLES HURTUBISE

The GAO District Volunteer of the Year award recognizes outstanding contributions at the District level. The 2010 recipient is Gilles Hurtubise, of the Kingston District.

A member at Cataraqui Golf and Country Club, Gilles is well-known for his commitment to growing the game of golf and engaging new players within the Kingston District. He volunteers his time in various roles within the GAO, as Kingston District Coordinator, Course Rater, Committee Member, Provincial Tournament Volunteer and as a member of the GAO Board of Directors.

Gilles has dedicated countless hours over the last few years introducing and building the Kingston District Intersectional Competition which engages approximately 1000 participants and continues to grow in participation and popularity. His positive attitude and passion for the GAO is evident in all of his volunteer endeavours, and he is continuously spreading the

message of the GAO and creating awareness about volunteer opportunities right across the province. Gilles' enthusiasm and commitment to growing the game of golf serves as an inspiration for volunteers and golfers alike.

## NANCY REID

The third volunteer honoured this year is Nancy Reid of Unionville. On January 5th, 2011 Nancy passed away and the game of golf lost a passionate individual who has made significant contributions to golf in Ontario. A volunteer with the OLGA and the GAO for more than 20 years, Nancy served as District Coordinator for the Scarboro District for over a decade. As a Level 4 certified Rules Official, Nancy was a familiar face at golf events across the province and was known for her fair and friendly approach. She was the "go-to" rules person at her home club, Sleepy Hollow. Nancy also dedicated her time to the Ontario Golf Hall of Fame committee and was a member of the GAO Board of Directors for four years.

Nancy's dedication and love for the game of golf was demonstrated by the countless hours she spent on the golf course. Her keen eye for detail coupled with her calm demeanor made her a fantastic asset to GAO championships. She will be fondly remembered by many friends, volunteers, GAO staff and players and we are honoured to recognize Nancy with a Distinguished Service Award for her outstanding commitment to the game.

## GEORGE SHANNON

In April 2010, George Shannon was awarded the Syl Apps Special Achievement Award at the Ontario Sport Awards. This award is presented annually to Ontario volunteers who have contributed to the development of sport across the country.

A Master Course Rater and Team Leader, George has been rating courses since 1992 and has rated more than 80 separate courses in his volunteer career with the GAO. He has been committed to providing his skills in his District (Huron) and has also gone above and beyond to assist other Districts with their course rating needs. George can also be seen volunteering his time as a starter and scorer at GAO championships throughout the summer months.

George's positive attitude and personality make him a pleasure to work with, and his unwavering devotion to the GAO is a prime example of what makes the GAO's volunteer base strong and successful.

# Volunteer Recognition

The GAO recognizes those Directors who contribute their time and hard work over an extended period of time. The Honourary Life Director Award is presented at the discretion of the GAO Board of Directors, following nominations from our Nominating Committee. Without exception, the recipients of this award have given unselfishly to promote amateur golf and the GAO, and have done so in a variety of ways over a number of years. In 2010, Bob Leggitt and Lorry Moffatt were chosen to receive this award for their long-time dedication and commitment to the GAO.

## BOB LEGGITT

Bob Leggitt of Peterborough has been volunteering his time and contributing to the game of golf for more than 35 years. Certified as a Level 4 Rules Official since 1984, Bob can be found officiating events ranging from club competitions at Kawartha Golf and Country Club, to GAO championships, national championships and the Canadian Open. He has spent countless hours in the classroom and on the golf course training other Rules Officials, and has dedicated his time to numerous GAO committees and the GAO Board of Directors over the years. At his home club he has served on the Board of Directors all the way back to 1966 including a number of years as President. On top of that, he has also been a Governor with the RCGA from 1997 to 2005 and chaired the Canadian Senior Men's Championship in 2007 at his home club. The GAO has previously awarded Bob with the Len and Went award and the Distinguished Service Award, and Kawartha Golf and Country Club has recognized his contributions by planting a tree in his honour on the golf course. The GAO is pleased to honour Bob with an Honourary Life Director award for his unwavering dedication to golf for several decades.

## LORRY MOFFATT

The second recipient of the Honourary Life Director Award is Lorry Moffatt of Mississauga. Lorry has been a familiar face in all facets of the GAO and the OGA. He has represented the GAO at his home club, Weston Golf and Country Club, and has been influential in establishing the close ties between the GAO and Weston. Lorry has served as a member of the GAO Board of Directors as well as the Hall of Fame, Membership and Marketing, Tournaments and Rules committees. He is a Level 4 certified Rules Official and works tirelessly at qualifiers, District and provincial championships as well as assisting other golf associations. He has been a strong component of the Bantam Clublink Tour, giving up weekends during the golf season to coordinate that initiative, and has served as the non-playing captain for Ontario's Williamson Cup team. Lorry has previously been awarded the GAO Volunteer of the Year award (2005) and the RCGA Volunteer of the Year Award (2006) and we are happy to recognize him as an Honourary Life Director of the GAO in 2010.

# Ontario Golf Hall of Fame

The Golf Association of Ontario celebrated the 10th anniversary of the Ontario Golf Hall of Fame on May 5th, 2010 with the induction of 2003 Masters champion Mike Weir.

Hosted by CTV and TSN sportscaster Rod Black, the ceremony highlighted Weir's playing career thus far; from his beginnings at Huron Oaks Golf Club, to his first Ontario Amateur crown, to his thrilling win at the 2003 Masters and beyond. Current Hall of Fame member and sportswriter Lorne Rubenstein was also on hand to share his memories of Weir's ascent to international success.

Weir delivered a video address to the attendees and reflected on the years spent developing his game in Ontario. Weir's father, Rich Weir, accepted the honours on behalf of his son.

The event brought together numerous former inductees, including Rubenstein, Gary Cowan, Marlene Stewart Streit, Stu Hamilton, Warren Sye, Dick Grimm, Kelly Roberts, Kay Helleur, and Mary Ann Hayward.

## MIKE WEIR

After honing his skills as a young golfer at Huron Oaks Golf Club in Bright's Grove, Ontario, Mike Weir has catapulted to the forefront of professional golf in Canada with his impressive playing career. At age 16, he captured his first national title with a victory at the 1986 Canadian Juvenile Championship, and followed that up two years later with the Ontario Junior title. He continued to progress with his first Ontario Amateur crown in 1990, and earned a second provincial victory in 1992.

Weir, The Canadian Tour Rookie of the Year (1993), went on to win the BC Tel Pacific Open and the Canadian Masters (1997) as well as the 1998 PGA Tour Q-School. He clinched his first PGA Tour victory in 1999 and has since gone on to win seven

more titles including the 2003 Masters Tournament in Augusta, Georgia. In that same year, he was awarded the Lou Marsh Memorial Trophy by Canadian journalists as the outstanding Canadian Athlete of the Year.

Weir's other accomplishments include representing the International Team at the President's Cup (2000, 2003, 2005, 2007) and representing Canada at three World Cups (2000-2003). In 2009, Weir was inducted into the Canadian Golf Hall of Fame and was also invested as a Member of the Order of Canada.

Congratulations to Mike Weir and all of the inductees over the past decade.

We continue to encourage nominations to the Hall of Fame with the appropriate literature available online or from the GAO office. The Ontario Golf Hall of Fame is housed at Wooden Sticks Golf Club and we continue to accept donations to further the undertakings of the Hall.

Respectfully submitted,  
Anna Poste  
On behalf of the Hall of Fame Committee
