# President's Report

KATHY PILKEY  
2011 GOLF ASSOCIATION OF ONTARIO PRESIDENT

The honour of serving as the 10th President of the Golf Association of Ontario is one that will stay with me for a lifetime.

2011 was an outstanding year for the Golf Association of Ontario. I have had the opportunity to travel throughout the entire province and see our programs and initiatives in action. The GAO should continue to be proud of its leadership and commitment to growing our sport, from the grass root level up to and including our high performance development programs.

We celebrated the 10th anniversary of the amalgamated Ontario Ladies' Golf Association and the Ontario Golf Association with the unveiling of our new logo and brand platform. Our goal is to continue to improve our communication with not only our member clubs and member golfers, but also with our fellow provincial associations and of course our national governing body, Golf Canada. Our ultimate goal is to demonstrate the value of membership to all of the golfers in our great province.

The Golf Association of Ontario continues to succeed with the support of our corporate sponsors and partners, which enable us to make a significant impact in the community and deliver top quality programming. Investors Group continues to be an outstanding partner of the GAO. Since 2003, they have supported all of our major provincial championships, our Hall of Fame ceremony and our scholarship program. Our other valued partners include Baka Mobile, Intercontinental Hotel Group, Bushnell, Titleist, RBC Insurance, and Second Skin. Callaway Golf Canada has continued to support our Golf For Kids program, which has grown from 200 schools in 2009 to participation just short of 550 schools in 2011.

Moreover, Mazda Canada came on board in 2011 to support our high performance athletes in the Team Ontario program. These sponsors are integral to the success of the GAO and make it possible for us to continue to grow the sport of golf in the future.

The Province of Ontario continues to support our programming initiatives and long term player development. The Ontario Trillium Foundation enabled us to expand our Callaway Golf for Kids program, while the Ministry of Health Promotion and Sport provided support to the GAO to host the first ever Ontario Golf Coaches Summit. This was a world-class event in April of 2011 that was full of opportunities and resources for PGA of Canada professionals to expand their role in coaching. With the Canada Summer Games, Pan-Am Games and the 2016 Olympics on the horizon, the Summit assisted these coaches in providing the highest level of coaching for Ontario athletes.

The Ontario Golf Hall of Fame induction ceremony was another success in 2011, as the Hall continues to perpetuate the memory and acknowledge of the contributions and accomplishments made by Ontarians to the game of golf. Congratulations to this year's inductees, Mississauga's Gar Hamilton and Sam Young from Shelburne. There are now a total of 58 members in our Hall of Fame.

Another highlight in 2011 was the 10th Anniversary Fundraising Gala in support of the Callaway Golf for Kids program. We were thrilled to have World Golf Hall of Fame member Annika Sorenstam as our guest speaker along with the ANNIKA Academy as our presenting sponsor. The evening was a fantastic celebration and with the support of our sponsors, donors and over 200 guests, we raised more than \$40,000 for the Callaway Golf for Kids program, money that will go directly to introducing children in Ontario to the game of golf.

Our GAO athletes had an outstanding year on the national stage. The Ontario women won the Canadian Senior Ladies' inter-provincial team championship and our Ontario Women's Amateur team were edged out of a victory by one shot. On the men's side, our athletes brought home both the Amateur and Mid-Amateur inter-provincial team championships titles. Individually, Mary Ann Hayward successfully defended the Canadian Senior Ladies' Championship in 2011. Ontario had a 1-2-3 finish at the Canadian Men's Amateur, led by Mackenzie Hughes, Albin Choi &

Jacob Patte. Rebecca Lee Bentham was the Royale Cup Canadian Ladies' Amateur champion and continued her run in the Fall, becoming one of two Canadians to earn a 2012 LPGA Tour Card. In the Golf Canada National Order of Merit rankings, seven of our Ontario men and five of our Ontario women are ranked in the top 10 in their respective rankings. All of this success is a testament to the strength of the player development programs in this province.

Our volunteers continue to be the lifeblood of the GAO. With their hard work and dedication, we ran a very successful schedule of provincial events, including qualifiers, championships, District events and Member Days. Our passionate volunteers lent their expertise to committee work, handicapping, course rating, and tournament support. Our volunteers' knowledge and expertise enable us to run world-class events and services all season long.

Lastly, the generosity of our member clubs is appreciated in sharing their beautiful courses to contest all of our events and provide a venue for our athletes to showcase their talents.

I encourage you to peruse this Yearbook and familiarize yourself with the work of our different committees. We have implemented a new volunteer process and would like to encourage you to "Get to Know the GAO" by volunteering. Please visit [www.gao.ca](http://www.gao.ca) to complete a volunteer application.

In closing, this year provided me with a unique opportunity to represent our association and I did so with pride thanks to the Golf Association of Ontario team. Thank you to the staff, the Board of Directors and all of our volunteers. Each and every one of you are helping the GAO to grow the sport that we all love and are so passionate about.

In getting ready to pass the gavel to Ian Murray, the GAO team will continue to prosper, and be one of the most successful Provincial Sport Organizations in not only Canada, but North America.

Thank you from the bottom of my heart. This was an experience I will put in my memory bank for life.

Respectfully submitted,

Kathy Pilkey

2011 Golf Association of Ontario President

## HANDICAP AND COURSE RATING REPORT

Members of the Handicap and Course Rating Committee met during the 2011 season to fulfill committee mandates in the following areas:

### Handicap Certification

Each member club must have a Handicap Committee whose members should have attended a Handicap Certification Seminar. We conducted four Handicap Certification seminars allowing 131 members from 46 clubs to become certified Handicap Officials. To date, a total of 1380 members from 357 different golf clubs have been certified through this process. In addition to these Handicap Seminars, we also held four individual club speaking engagements for over 200 members. The goal of these sessions was to help reinforce messaging from the host clubs Handicap Committee and help educate the membership on some of the finer points of the Handicap System.

To date, 436 member clubs have signed and returned the RCGA Handicap License Agreement (HLA). The HLA helps to ensure compliance with the RCGA Handicap System and enables clubs to issue valid RCGA Handicap Factors to their members. Most GAO member clubs (319) are using the RCGA Network (Handicap program) to maintain Handicap Factors for their club.

### Course Ratings

During the 2011 golf season, 48 clubs were rated for both men and woman (this includes, 9, 18 and 27 plus hole courses).

The GAO measurement program is still active, there were another 73 courses measured in 2011.

We very much appreciate all Course Rating volunteers who willingly committed their time, expertise and energy to further the work of the Committee and represent the GAO so well in 2011.

Respectfully submitted

**Craig Loughry,**

Director of Handicapping and Course Rating

## DISTRICT COORDINATORS COMMITTEE REPORT

In Spring 2011, the District Coordinators Committee participated in a Strategic Planning Session that identified the successes and challenges districts experience. The one consistent challenge that all 14 districts are experiencing is obtaining adequate volunteer resources to support the growing participation at the District level.

Each District appoints a Volunteer Executive that is committed to building a strong healthy golfing community. 2011 saw over 3500 golfers enjoying tournaments, adult learn to play programs and rules workshops. The Intersectional Matches Competition continues to grow with plans in place for Peterborough District to offer them next season. The Adult Training Programs, a friendly training experience for the higher to mid-range handicap golfer, expanded with ten sessions being offered across the province in 2011.

All this was made possible with the support of our members, clubs and very dedicated district volunteers.

The Committee encourages you to... Get to know the GAO... Volunteer!

Respectfully submitted,

**The District Coordinators Committee**

## 2011 RULES & COMPETITIONS REPORT

Despite a season that started slowly due to many cold and rainy days, the 2011 GAO Tournament program had another successful year. Thanks to the dedication and commitment of the GAO Tournament Volunteers and the GAO member clubs that hosted our championships, qualifying rounds and Member Days, the number of entries into GAO events continued to grow.

The difficult weather conditions provided some challenges for players and courses, but the GAO volunteers and the host club staff managed to conduct all the qualifying rounds with success.

New to the scene on the GAO schedule in 2011 was the Ontario Juvenile Championship involving boys and girls under the age of 17. Over 250 boys and 40 girls attempted to qualify for the championship at Loyalist Country Club in Bath, Ontario. In previous years, the Juvenile Championship was played as part of the Ontario Junior Boys' and Junior Girls' Championships. In 2012, the Juvenile titles will be awarded to the boys and girls gold medal winners at the Ontario Summer Games in Toronto. The Golf portion of the Games will be played at the Cedar Brae Golf & Country Club.

The GAO Member Days were held for the second year with some growth in the number of events and the number of players. Designed to provide all GAO members the opportunity to compete in GAO-conducted tournaments, the Member Days are fun and friendly one-day events held at some of the top courses in the province. This year's events were held at Scarboro G&CC, Ladies' Golf Club of Toronto, Georgian Bay Club, Wooden Sticks GC, Glendale G&CC, Eagles Nest GC, The Club at Bond Head and National Pines GC.

As always, the GAO Tournament Program wouldn't happen without the support of the fantastic work of the GAO Tournament Volunteers. This group of knowledgeable individuals contributes thousands of hours to the extensive tournament program. This year, the GAO conducted 30 championship events and more than 60 qualifying rounds, in addition to the GAO Member Day events.

Thanks must be expressed to all the member clubs that hosted

championships and qualifiers in 2011. Hosting the multi-day GAO Championships this past year were Wooden Sticks, Lake Joseph, Weston, Hawk Ridge, Wildfire, Grey Silo, Cutten Fields, Goderich Sunset, Brampton, Bay of Quinte, Puslinch Lake, North Bay, Loyalist (twice) and especially Thornhill for stepping up at the last minute to host the Ontario Women's Mid-Amateur Championship.

**Without the generous support of our sponsors, our championships wouldn't be the same. Investors Group continued to be a leader in amateur sport sponsorship. They were the title sponsor of the Men's and Women's Amateur, Senior and Mid-Amateur as well as the three major Junior Championships. Baka Mobile continued to support the Public Player Championship in 2011.**

On the Rules side, the GAO fully delivered its new Level 3 and Level 4 on-line education programs, which have resulted in improved pass rates for the participants in these programs. The GAO is especially appreciative of the work of the Rules Sub-Committee of John Turner, Lee Griffin and Jim Furlong for their work in developing and delivering these programs.

In addition to conducting our GAO Tournament Program, we have developed a relationship with the OUA and OCAA to assist in delivering the University and Colleges Golf Championship. With a majority of the players in those events already competitors in GAO championships, this relationship seems a natural extension of our role in golf in Ontario.

I would like to thank the members of the GAO Rules & Competitions Committee for their input and support throughout the year. I would also like to extend my appreciation to the GAO Tournament Staff (Dave Colling, Director of Rules & Competitions, Larry Longo, Tournament Manager, Sandy Davidson, Coordinator of Volunteers and Evan LaRocque and James Dorion, Interns) for their dedication and hard work all season long.

Respectfully submitted

**Bill Muzak,**

# Thank You 2011 Volunteers

On behalf of the Board of Directors of the Golf Association of Ontario, I extend my heartfelt thanks to all of our volunteers who have contributed valuable time and energy to support and grow amateur golf in Ontario. It is only with your dedication and commitment that we are able to provide the extensive programming that enriches and promotes this sport we all love so much. Your tireless service is much appreciated.

Respectfully submitted,  
Kathy Pilkey,  
2011 Golf Association of Ontario President

# Sport Development

It was an exciting year for the GAO and its on-going focus to make the sport more accessible and community centric as we inch closer to the 2015 Pan American and 2016 Olympic Games.

2011 was again highlighted by outstanding performances by Ontario's top athletes including three individual National Championships: Mackenzie Hughes – Men's Amateur, Rebecca Lee-Bentham – Women's Amateur and Mary Ann Hayward – Senior Women. GAO Provincial Teams also captured 3 of 7 team titles: Men's Mid-Am, Men's Am and Senior Women. Ontario also finished well in International Championships including: 14 year old Brooke Henderson – Round of 32 in the USGA Women's Am, Richard Jung – Round of 16 in the USGA Men's Am, Stefani Markovich – Round of 32 in the USGA Women's Mid-Am, Rebecca-Lee Bentham – Round of 16 in the British Ladies' Am, Samantha Spencer and Meghan McDougall both made it to the Round of 16 at the Western Junior Girls Championship, Chris Hemmerich finished 6th in the Hudson Junior, Garrett Rank finished 6th in the Porter Cup and Mackenzie Hughes made it to the Round of 16 in the Western Amateur.

The continued success of our athletes and programs is a testament to the focus and dedication that the GAO takes with its sport development programs. We thank Mike, Mallory, Mary Ann, Jon and Jeff.

## NATIONAL GOLF IN SCHOOLS & CALLAWAY GOLF FOR KIDS

Golf in elementary schools across Ontario continued to grow at a rapid pace including 250 new schools registering in the National Golf in Schools program.

As part of the Callaway Golf for Kids, the Mr. Knickers and Friends program reached over 12,000 students while over 100 youth benefited from Future Champions Clinics. All of which was made possible through the Trillium Foundation and regional support including: Durham College, Richmond Hill Toyota, Flagstick Magazine, Wildfire GC, Palladino Honda, Windsor District Junior Golf Academy, Bruce's Golf Rewards and Mix 97 in Belleville.

## CN FUTURE LINKS

2011 was another successful year, as the GAO continues to support CN Future Links and its family of programs.

Contested in late August, the GAO held the GDC Provincial Skills Challenge at BraeBen Golf Club in Mississauga and the winners included: Lauren Callahan & Justin DiCienzo – 11 & under, Sarah Geurten & Paul Koubridis – 12-14, and Jaylene Holmes-Tang, Olivia Brock and Cory Huysmans – 15-18.

Also, the CN Future Links Mobile Van Program had a seventh straight successful season, reaching 7432 children over a five-month span.

## JUNIOR GOLF DEVELOPMENT CENTRES

The GAO's new Junior Golf Development Centre pilot initiative was a huge success in year one. Over 15 member clubs from across Ontario took part in providing full service programming for youth and their families from recreation to competitive coaching. The Pilot reached over a dozen communities in the Province including Windsor, Thunder Bay, Ottawa and Muskoka and involved over 20 PGA of Canada trained coaches.

## COACH DEVELOPMENT & SUPPORT

The GAO has taken the lead in supporting Ontario golf coaches in partnership with the Ministry and CPGA zones in Ontario. Coaching is an incredibly important piece to athlete development and they are critical to the success of GAO programming at all levels. The coach development program includes: Ontario Golf Coaching Summit – April 11-13th 2011 in Niagara Falls, Ontario, Golf Coaches website [www.coaching.gao.ca](http://www.coaching.gao.ca), and joining coaches as member of the GAO.

## INAUGURAL ONTARIO GOLF COACHES SUMMIT

The first junior development Coaches Summit was held on April 11-13th at the White Oaks Resort in Niagara Falls Ontario. The event was a huge success and featured Keynote speakers and presenters including; Rick Jensen, Dr. Greg Wells, Dr. Penny Werthner, Chris Welch, Rudy Duran and Fred Shoemaker.

As part of the Summit, the GAO hosted the first Annual Ontario Golf Coach Awards Banquet to recognize and celebrate Ontario's leaders in junior development and coaching.

## And the winners are.....

Participation Coach of the Year: Brian Gallant, Carrie Vaughan  
Development Coach of the Year: Laird White, Carla Munch Miranda  
Facility of the Year: Shelburne Golf and Country Club

## LONG TERM PLAYER DEVELOPMENT PLAN

The GAO and the Ministry of Health Promotion and Sport completed a Long Term Player Development Audit and Implementation Plan in an effort to align and enhance program offerings to Ontario families. As part of the Implementation phase, a number of key action items will be executed beginning in 2012 from training and coaching to competition and communication.

## TEAM ONTARIO DEVELOPMENT PROGRAM

The GAO has implemented several new initiatives for the 2012 golf season to further advance the development of high performance athletes in the province. 2012 will see advancements in both our Under 19 and U17 Team Ontario programs. Both groups attended a 3 day kick off camp at the Rock GC and Cleavelands House in Muskoka in late September of 2011. The U17 athletes will attend a five day training camp in Puerto Rico January 2-8, 2012. The Lodge at Ventana Canyon in Tucson, Arizona will host U19 Team Ontario once again for two training camps during the 2012 winter season. Both groups will converge for a final 3 day camp at the end of April at the Cherry Hill Club in the Niagara area. The GAO is very pleased to have the Granite Golf Club in Stouffville, ON as the official Team Ontario Training Center. Having a venue where our athletes can train and play together during the season will be an invaluable developmental tool for the athletes in our programs.

## SCHOLARSHIP REPORT

With the support of its generous partners and sponsors, the GAO awarded \$38,000 to 12 deserving student golfers in the province of Ontario. This year, recipients received awards between \$1,000 and \$4,000 to assist with their continued education at the post secondary level. All recipients have maintained at least a 75% academic average, are enrolled in a post secondary institution, are members of the GAO and are actively involved in the game of golf.

The GAO has been awarding scholarships to promising young golfers since 1996 and has now awarded over \$337,000. The GAO scholarship program is supported by donations from partners including the Estate of Ken McKenzie, Investors Group, Bushnell, Acushnet, the Craig Revell Memorial Award Fund, the Helena Harbridge Award Fund and the Christine Fisher Memorial Student Award Fund.

## MARKETING AND MEMBERSHIP

In 2011, we celebrated the 10th anniversary of the amalgamation of the Men's and Ladies' Associations and it was a year full of exciting events and new initiatives. We kicked it off with the launch of our new brand identity and platform. The new logo was very well received as was the tagline and brand position Get to Know the GAO. As a result of the brand launch, our stakeholders now have a clear and well-articulated vision of the mission and values that set the foundation for the Association.

The first annual Past Presidents day held at Toronto Golf Club in September was a very special experience for all those involved and we followed that closely with a very successful Volunteer Appreciation Day at Summit in early October. The icing on the cake was the Gala celebration held in November at Eagles Nest. The event was highlighted by keynote speaker Annika Sorenstam and sold out with over 230 guests in attendance. It was a very special evening for all in attendance and we raised more than \$40,000 for the Callaway Golf for Kids program! The addition of six new Golf for Kids local sponsors as well as the launch of our new website portal for volunteers contributed to an exceptional year for the committee and staff.

In 2011, we welcomed more of the Golf North properties to membership, two new Member Clubs and reinstated two former Member Clubs. Overall Club Membership with the GAO remains relatively flat, with a slight 2% decrease from 2010. Although six of our Golf Groups withdrew from membership, individual participants were encouraged to remain active with the GAO by joining the Public Player program independently. The Public Player Program continues in a steady growth pattern, with an increase of over 20% compared with last year and now represents over 6% of GAO membership.

Over the past year the Committee reviewed the current Membership Model, and concluded that we must continue to educate our Members on the benefits of membership with the GAO and Golf Canada. A 2011 survey of our Public Players indicates that they value their Membership for Handicapping, Tournaments and to support the Sport of Golf Nationally, Provincially and with Junior Development.

Onsite media and sponsor relations at tournaments, marketing support for our growing sport development initiatives and our commitment to providing high quality services and benefits to all of our members remains a priority and key component of the Golf Association of Ontario's brand, supporting our Mission, Vision and Values.

## Golf Association of Ontario

## 10th Anniversary Gala

On November 3rd, 2011 more than 220 guests gathered at Eagles Nest Golf Club for the Golf Association of Ontario 10th Anniversary Fundraising Gala in support of Callaway Golf for Kids. This grand celebration of golf in Ontario welcomed golf legend Annika Sorenstam to the event, and the ANNIKA Academy provided tremendous support as the presenting sponsor.

The evening was an exciting celebration of the ten years since the amalgamation of the OGA and the OLGA, bringing together guests from across the province to enjoy a special evening with Annika while raising funds for the future of the game. The evening included a cocktail hour and silent auction, while the dinner program included the introduction of the Dick Grimm Distinguished Service Award, a new award that will be considered the highest honour recognizing individual service to the game of golf in Ontario.

Anticipation was building throughout the evening for Annika Sorenstam to take to the stage, and she didn't disappoint, spending almost an hour sharing memories of her outstanding career in golf and answering dozens of questions from the emcee and from guests at the Gala. Annika's presence made the evening special for all in attendance as she greeted guests, posed for pictures, and signed autographs.

The \$40,000 raised from the event will help children across Ontario become introduced to the game of golf in a school environment through the Callaway Golf for Kids program. The initiative has reached more than 75,000 children in 550 schools across the province and will continue to grow in 2012.

The Golf Association of Ontario would like to thank all the guests, supporters, sponsors and donors for their outstanding support of the event and of golf in Ontario.

Syl Apps Special Achievement Award

The GAO Volunteer Recognition program has been designed to recognize outstanding performance and contributions by volunteers who have played an instrumental role in promoting the growth and development of amateur golf throughout the Province of Ontario while preserving the integrity and traditions of the game.

All individuals who are currently active members of the GAO and have been involved with the Golf Association of Ontario in a volunteer capacity for more than three consecutive years are eligible for nomination. These individuals will have made a significant contribution to amateur golf in Ontario through various GAO initiatives.

## SALLY CIRTWILL

Consecon resident Sally Cirtwill has been nominated and selected by a committee of her peers to be the 2011 Golf Association of Ontario Volunteer of the Year. Sally has been a dedicated GAO volunteer since 1998, and her volunteer commitments over the years have encompassed all levels of golf. A member at Trenton Golf Club, Sally has served as a Club Representative, District Rules Convener, and a Rules Official at Club, District, and Provincial events. As a Level 4 Certified Rules Official since 2000, Sally is a familiar face at tournaments across the province. She also continues to encourage members to learn the rules of golf by running introductory rules seminars. Sally's level of commitment as a Rules Official both on an off the course makes her a valued mentor to many up and coming officials, and the Golf Association of Ontario is proud to honour Sally Cirtwill as the 2011 Volunteer of the Year.

## DALE HENDERSON

This award has been designed to recognize those volunteers who embody the spirit of volunteerism and have shown dedication by making a significant contribution in promoting, supporting and expanding amateur golf within their District. The 2011 recipient is Bath resident Dale Henderson, of the Kingston District.

Since the amalgamation of the OLGA and the OGA in 2001, Dale has been an active promoter of District events at clubs within the Kingston District, while dedicating his time as both a Course Rater and Team Leader. He has volunteered countless hours ensuring the standards of the GAO are carried out and implemented throughout the District, while making sure all GAO program information is circulated within his home club, Loyalist Country Club. Most notably, Dale has played an integral role in the success of numerous GAO provincial championships hosted at Loyalist by gathering, training, and scheduling a small army of host club volunteers. The support he has generated at Loyalist for GAO events has been outstanding, and his work and hours spent training volunteers at the club has translated into the numerous world-class events held at Loyalist year after year. The Golf Association of Ontario thanks Dale for his tireless contributions to amateur golf and is proud to name him the 2011 District Volunteer of the Year.

## LEE GRIFFIN

The GAO recognizes those Directors who contribute their time and hard work over an extended period of time. The Honourary Life Director Award is presented at the discretion of the GAO Board of Directors, following nominations from our Nominating Committee. Without exception, the recipients of this award have given unselfishly to promote amateur golf and the GAO, and have done so in a variety

of ways over a number of years. In 2011, Lee Griffin was chosen to receive this award for her longtime dedication and commitment to the GAO.

Lee Griffin of Cambridge has been an active GAO volunteer since inception in 2001, taking on several leadership roles; serving as a member of the GAO Board of Directors and Chairperson of the Rules Committee. A Level 4 Certified Rules Official, Lee is an integral part of the GAO when it comes to rules education within the province, having led countless rules seminars at the club, district and provincial level including the development of an interactive rules education seminar that has assisted in the recruitment of new Rules Officials. Lee's passion for the rules makes her a fixture at competitive golf events throughout the province.

On top of her commitments to the GAO, Lee is also a dedicated volunteer with Golf Canada where she has served as an Associate Governor and Tournament Chair. She has also been a member of the Board of Directors at Galt Country Club, and has been on the organizing committee for a number of amateur events. Lee has also been honoured in the past as the 2009 GAO Volunteer of the Year, the 2003 CLGA Volunteer of the Year, and served as the Chair of the 2003 Canadian Senior Women's Championship. Lee's continued commitment to excellence in her various roles as a volunteer both on and off the course make her an invaluable part of the GAO. The Golf Association of Ontario is pleased to recognize Lee Griffin as a GAO Honourary Life Director.

## NANCY REID

The recipient of the Syl Apps Special Achievement Award at the Ontario Sport Awards was Nancy Reid of Unionville. On January 5th, 2011 Nancy passed away and the game of golf lost a passionate individual who has made significant contributions to golf in Ontario. A volunteer with the OLGA and the GAO for more than 20 years, Nancy served as District Coordinator for the Scarborough District for over a decade. As a Level 4 certified Rules Official, Nancy was a familiar face at golf events across the province and was known for her fair and friendly approach. She was the "go-to" rules person at her home club, Sleepy Hollow. Nancy also dedicated her time to the Ontario Golf Hall of Fame committee and was a member of the GAO Board of Directors for four years.

Nancy's dedication and love for the game of golf was demonstrated by the countless hours she spent on the golf course. Her keen eye for detail coupled with her calm demeanor made her a fantastic asset to GAO championships. She will be fondly remembered by many friends, volunteers, GAO staff and players.

# Volunteer Recognition

The Golf Association of Ontario is pleased to announce the introduction of the Dick Grimm Distinguished Service Award. This award is considered the highest honour recognizing individual service to the game of golf in Ontario. The award is named after Richard H. Grimm, who was affectionately known as "Mr. Canadian Open" for his service to the event from 1965 to 1993. Throughout his time in golf, he has been known a masterful coordinator, promoter, official, fan, and - most importantly - a passionate volunteer who put his heart and soul into making golf better. The GAO's Dick Grimm Distinguished Service Award recognizes an individual's meritorious service to the game of golf in Ontario as a volunteer. Recipients of this award embody the principles of integrity, dignity and commitment which are central to the volunteer experience and to Mr. Grimm's persona.

## EMERSON CREED

Emerson Creed of London has been a dedicated volunteer with the GAO and the OGA for nearly fifty years. Beginning in 1965 as a starter/scorer with the OGA, he served on the OGA Board of Governors from 1966-1972 while being actively involved with his home club, London Hunt and Country Club. He has been a key part of the GAO's Course Rating team, volunteering his times as a Team Leader and Master Course Rater. At various times over the past five decades, Emerson has been golf captain, as well as Chairman of both the golf committee and greens committee while promoting the standards and values of the GAO, OGA and amateur golf in the province. At the age of 90, Emerson is still a dedicated Course Rating Team Leader. Emerson's outstanding leadership and continued dedication to the game have made him a key member of the GAO's volunteer team, and the Golf Association of Ontario is proud to recognize Emerson Creed as a recipient of the Dick Grimm Distinguished Service Award.

# Ontario Golf Hall of Fame

**GAR HAMILTON**

**SAM YOUNG**

The Golf Association of Ontario welcomed two new members into the Ontario Golf Hall of Fame in 2011. Shelburne Golf and Country Club owner and revered teaching professional Sam Young of Cookstown and longtime Mississauga Golf and Country Club head professional and competitive standout Gar Hamilton of Oakville were honoured at the annual induction ceremony at Wooden Sticks Golf Club in May.

Hosted by CTV and TSN sportscaster Rod Black, the ceremony highlighted the achievements of the inductees while celebrating their contributions to golf in Ontario. The event illustrated the broad impact that both inductees have had across the province, with Young shaping the golf careers of countless young athletes and Hamilton as a respected head professional with an impressive competitive record. The honour comes as Hamilton, who once caddied for Young, enters his 22nd and final season before retirement at Mississauga and Young celebrates his 50th year as a CPGA professional.

With more than 160 guests in attendance, Young delivered an entertaining and insightful acceptance speech that reflected on his long career in the sport, including time spent on the course with fellow Hall of Fame members and golf legends Al Balding, George Knudson and Moe Norman. He reflected on the evolution of his now famous junior programs that have made Shelburne Golf and Country Club one of the country's most esteemed and accessible junior development centres. A large contingent of friends, family and colleagues from Mississauga Golf and Country club looked on as Hamilton shared memories from his time as one of only eight head professionals in Mississauga's 105 year history. A thirteen-time Canadian Open competitor, Hamilton also shared anecdotes from his successful competitive career that has seen him capture almost every Ontario PGA individual stroke play event including the Ontario PGA

Championship and three Ontario PGA Senior Championships.

It was a special evening for all in attendance, including current Hall of Fame members Gary Cowan, Marlene Stewart Streit, Dick Grimm, Mary Ann Hayward, and Stu Hamilton.

## GAR HAMILTON

Gar Hamilton is both a highly accomplished competitive player and one of Canada's best known head professionals. He has been successful at every level of golf and has enjoyed a 22 year tenure at Mississauga Golf and Country Club where he has worked tirelessly to promote, teach and play the game of golf. Previous to his current position, he served as head professional at Horseshoe Valley Golf Club in Barrie for eight years.

Hamilton has excelled at competitive golf throughout his life, beginning with his Ontario Junior Boys' title in 1966. After a string of successful national and international amateur finishes and captaining his Indiana University golf team, Hamilton earned Rookie of the Year honours on the Canadian Tour following his win at the Manitoba Open. Two more victories on the Canadian Tour followed, and Hamilton continued as a touring professional from 1973-1980 including a stint on the PGA Tour.

After achieving Class "A" Head Professional status in 1980, Hamilton has captured almost every Ontario PGA individual stroke play event including the Ontario PGA Championship and three Ontario PGA Senior Championships. In addition to his Ontario victories, Hamilton has also won the Canadian PGA Club Professional Championship four times and the Canadian PGA Seniors Championship once. He has played in 13 Canadian Open Championships, earned the Ontario PGA Player of the Year Award (Hunt Trophy) five times, and was named Ontario PGA Professional of the Year in 1998.

## SAM YOUNG

Sam Young is one of Canada's most revered teaching professionals. As the owner and operator of Shelburne Golf and Country Club since 1986, Young has been instrumental in developing countless athletes through his golf programs. He has been a member of the Canadian PGA for almost 50 years and is a former board member and past-president of both the CPGA and Ontario PGA.

Following a successful playing career including a year on the Canadian Tour, Young has taught golf at every level and his junior programs are well known across the province. Through his ongoing commitment to growing the game of golf, he has developed Shelburne G&CC into one of the most comprehensive and accessible junior golf facilities in Ontario. Young continuously attends learning workshops and seminars throughout the world and his teaching methods are constantly evolving with the science of the game.

Young's contributions to golf in Canada have been recognized on several occasions; in 1986 the Ontario PGA named him Club Professional of the Year, a designation he was also awarded by the CPGA and Score Golf Magazine in 1989. In 2002 and 2003, Young received the Ontario PGA Teacher of the Year Award for Junior Golfers and in 2002 the CPGA named Young the Canadian Junior Leader of the Year.

Congratulations to Gar Hamilton and Sam Young. We continue to encourage nominations to the Hall of Fame with the appropriate literature available online or from the GAO office. The Ontario Golf Hall of Fame is housed at Wooden Sticks Golf Club and we continue to accept donations to further the undertakings of the Hall.

Respectfully submitted,  
**Anna Poste**
