# President's Report

**JIM KING**

2013 GOLF ASSOCIATION OF ONTARIO  
PRESIDENT

I suppose the best characterization of the past year would be to use the old phrase – “never a dull moment.” From exciting tournaments, to attending the Canada Summer Games, to dealing with a myriad of business issues, and culminating in the intense search for a new Executive Director to replace the retiring Dave Mills, this has been one interesting year.

It has been my pleasure to serve as your President for 2013 and to work with our very capable staff in Uxbridge, as well as the many, many volunteers that make the Golf Association of Ontario the envy of the other provinces.

Much has been accomplished in 2013 as we continue working on the goals and objectives established in our strategic plan. Our plan is built around the pillars of Long Term Athlete Development, Performance (at all levels), Participation (More Golf in Schools), Capacity (more trained officials and volunteers), Communication (digital magazine), and Revenue (fundraising and sponsor development).

Mr. Knickers and Friends has taken the National Golf in Schools program to over 880 schools in 2013, including 57 high schools. We have opened five new Junior Golf Development Centres for a total of 16 across the province to evaluate and train promising junior golfers. In addition to over 100 competitive events, including regional qualifiers, we ran six Member Days – net events for a reasonable fee at quality venues – and nine vTour events, online competitions where you play the course of your choosing and compete online against

other GAO members. The vTours attracted 3800 participants (2950 men and 850 women) in its first full year.

In the spring, we held a series of officials/volunteer training days to ensure that we are providing the best possible experience for competitors at provincial events, and we continue to optimize the human resources available to us to focus on our priorities.

Our Course Rating teams continue to be busy, and in 2013 they rated or re-rated almost 70 courses across the province. In addition, two in-person handicap seminars were held resulting in 41 GAO members becoming Certified Handicap Officials. Our online certification program added another 74 for a total of 115.

Although our athletes did not enjoy the success at the national level as we did in 2012, there were some notable achievements.

The year started off on a high note as the Canadian men's and ladies' team of Brooke Henderson, Augusta James, Albin Choi, and Corey Connors (all from Ontario) were victorious at the Copa de la Americas at Doral, the third victory for Canada in the history of this event.

Brooke Henderson continued her fine play and won the South American Amateur, the Canadian Women's Amateur as well as the CN Future Links Pacific Championship.

Taylor Pendrith won the prestigious Porter Cup at Niagara Falls Country Club in New York State in June. Former Ontario Amateur champion Corey Connors advanced to the semi-finals of the US Men's Amateur losing to eventual winner Matt Fitzpatrick of England, while Jenna Hague finished runner-up at the Western Women's Amateur.

Mary Ann Hayward won her third Canadian Senior Women's Championship title, and Stefi Markovich advanced to the semi-finals of the US Women's Mid Amateur before losing to eventual winner Julia Potter of the US.

Team Ontario members Tony Gil, Sam McNulty, John Boncoddio and Conner Watt won the Williamson Cup matches, and finally, the Ontario junior boys' team of Carter Simon, Austin James, and Jake McNulty garnered a silver medal at the Canada Summer Games in Sherbrooke, Quebec. I had the pleasure of attending these games as part of our delegation, and I must say how impressed I was by the play and behaviour of our young athletes.

There was excitement on the people front as well in 2013. Claire Welsh of our Marketing and Communications Department accepted a similar position at The R&A in Scotland. Claire assumed her new duties at the beginning of 2014, and it is good to see one of our own move on to bigger things.

And of course, long time GAO volunteer, Board member, and Executive Director for the last 27 years, Dave Mills has announced his retirement as of the AGM. It goes without saying that Dave will be missed, and on behalf of the Board I thank him for his diligence, integrity, enthusiasm, and friendship over the years.

At the same time I am pleased to welcome Steve Carroll, our new Executive Director, and look forward to his energy, leadership, and commitment to relationship building for years to come.

In closing, I would be remiss if I didn't extend my thanks to our sponsors and donors who make it possible to run the many programs and competitions throughout the year. As the industry continues to change, the stress on our resources increases, and without the support of these corporations and individuals it would be difficult to deliver the current level of excellence. Also, I must extend my gratitude to the various courses throughout the province that provide their facilities for our events. As a volunteer who attends many events over the summer, I can attest that the athletes who participate are very appreciative as well.

As much as we have accomplished, there is a long way to go. Through the strength of our volunteer base, the staff in Uxbridge, and the support of our Board, we shall continue to pursue the key performance initiatives identified in our strategic plan.

See you on the course in 2014.

Respectfully submitted,  
**Jim King**

## HANDICAP AND COURSE RATING REPORT

Members of the Handicap and Course Rating committee met during the 2013 season to fulfill committee mandates in the following areas:

### Handicap Licensing and Certification

Each member club of the Golf Association of Ontario/Golf Canada (GAO/GC) issuing Handicap Factors must have a Handicap Committee. At least one member of the Handicap Committee must take a Handicap Certification Seminar course conducted by the GAO. The GAO conducted two Handicap Certification Seminars allowing 41 members from 34 clubs to become certified Handicap Officials. The GAO also provides an Online Handicap Certification course, which another 66 registered for and achieved certification from 41 clubs.

There are 338 member clubs that have signed and returned the Golf Canada Handicap License Agreement. There are 131 licences which expire December 31, 2013, and these clubs will have to renew their agreement to fulfill club obligations in the program. The agreement helps to ensure compliance with the Golf Canada Handicap System and authorizes those golf clubs to issue valid Handicap Factors to their members. The majority of our member clubs (359) continue to use the Golf Canada Score Centre (Handicap software) to maintain Handicap Factors for their membership.

### Course Rating

This year 64 courses were rated for both men and women. We also conducted a two day Provincial Course Rating Training seminar in May that concentrated on fine tuning the skills of our existing course raters on day one, and sharpening the skills of our Team Leaders on day two. We also introduced a course rating training manual and workbook. It was sent in advance of our training session, and exercises were answered by each attendee, and discussed in an open forum. This workbook will be used when introducing new raters to our course rating procedures. Our Committee also tabled and laid all the framework of a four level Course Rating Certification Program. The program is to ensure course rating knowledge is attained and maintained to ensure consistency in rating results from team to team across the province. This will be formally introduced in 2014. Efforts to finalize the setup of a course rating team in Niagara District were successful. A series of ratings were scheduled to test the knowledge of the team of which they completed, we're pleased to officially announce the setup of this team.

We appreciate all volunteers who willingly committed their time, expertise and energy to further the work of our Handicap and Course Rating Committee. Those who represent the Golf Association of Ontario and our Committee so very well are; Course Raters, Team Leaders, Master Course Raters, Club Handicap Certified Officials, Club Handicap Committee Chairpersons, and those who served on their club Handicap Committee.

Respectfully submitted

**Craig Loughry,**

Director of Handicapping and Course Rating

## DISTRICT COORDINATORS COMMITTEE REPORT

Members of the District Coordinators committee met in the Spring and Fall in 2013. The committee continues to share "best practises" and has begun to explore strategies that will align the district programs with the Long Term Athlete Development Plan. The District Team competition had a very strong showing at the Senior Women's Amateur with eleven districts fielding a team and the Scarborough District team capturing the District Gross title. The District Team Net competition saw Northern and Waterloo tie for first place. The Kingston District Team had a solid performance at the Women's Amateur District team competition capturing both the Gross and Net titles.

The committee wishes to express their appreciation to all the volunteers that commit their time, expertise and energy that strengthens the district programs.

Respectfully submitted,

**The District Coordinators Committee**

# Volunteer Recognition

**Karen Newman**  
2013 Volunteer of the Year

**Bruce Rand**  
2013 District Volunteer of the Year

The GAO Volunteer Recognition program has been designed to recognize outstanding performance and contributions by volunteers who have played an instrumental role in promoting the growth and development of amateur golf throughout the province of Ontario while preserving the integrity and traditions of the game.

All individuals who are currently active members of the GAO and have been involved with the GAO in a volunteer capacity for more than three consecutive years are eligible for nomination. These individuals will have made a significant contribution to amateur golf in Ontario through various GAO initiatives.

## **KAREN NEWMAN VOLUNTEER OF THE YEAR**

For the past six years, Collingwood resident Karen Newman has been a familiar face GAO at qualifiers and championships assisting with registration, starting and scoring. At the 2013 Investors Group Ontario Men's Amateur Championship, Karen stepped up to take on the challenging role of volunteer chair, an integral part of the execution of the event. Traditionally, a major tournament of this size would have seen the tasks grouped into committees with a separate chair for each, but due to time restraints, Karen managed the full team of over 70 volunteers. She skillfully recruited and scheduled members from her home club, Blue Mountain Golf and Country Club, OslerBrook, and neighboring golf clubs to make up a full team of volunteers. Throughout the championship, Karen was on-site ensuring the "blue team" of volunteers was successfully engaged.

Born and raised in Toronto, Karen was the longtime Director of Volunteers at the Credit Valley Hospital in Toronto. A member at Blue Mountain for the past eight years, the grandmother to five started volunteering as an activity that she could share with her husband, Pat, who is a GAO Rules Official.

By taking on the daunting task of managing a full team of volunteers for a major championship, Karen played a key role in the execution of the Ontario Amateur, the GAO's biggest championship. Karen went above and beyond in 2013, working relentlessly on her own time to make sure that more than 70 volunteers were organized and managed effectively. For her outstanding efforts, The GAO is proud to recognize Karen Newman as the 2013 Volunteer of the Year.

## **BRUCE RAND DISTRICT VOLUNTEER OF THE YEAR**

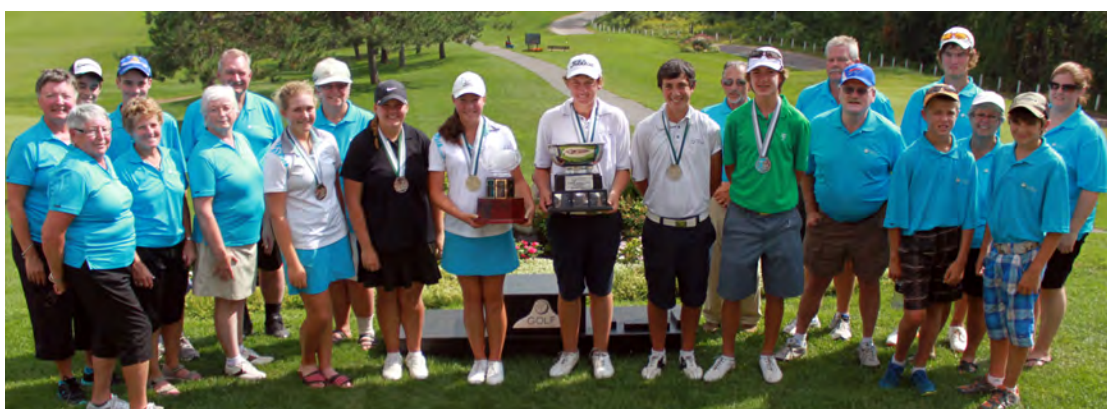

The District Volunteer of the Year Award has been designed to recognize those volunteers who embody the spirit of volunteerism and have shown dedication by making a significant contribution in promoting, supporting and expanding amateur golf within their District. Windsor resident and longtime Essex-Kent District Coordinator Bruce Rand first began volunteering with the Ontario Golf Association in the mid-1980's, serving as club representative for Beach Grove Golf and Country Club. A former assistant pro at Beach Grove, Bruce started actively volunteering with the Essex Kent District as a starter and scorer before taking on the lead role of District Coordinator in 2001 when the GAO was established. He has been a vital link between the GAO and golfers in the Essex-Kent District, tirelessly promoting GAO initiatives and growing the game at the club, District and provincial level. Bruce was instrumental in bringing three GAO events to Beach Grove over the past two years, and continues to act as a starter and scorer at provincial events throughout the District. While leading the District Executive Committee and serving on Beach Grove's golf committee, Bruce is a familiar face at functions and meetings throughout Essex-Kent providing information about GAO programs and encouraging golfers to get involved by participating or volunteering. In 2013, Bruce served as the Senior Tournament Official at the Investors Group Ontario Junior Boys' Championship, one of the GAO's major events. His passion for golf, unwavering dedication to promoting the GAO and commitment to growing the game make him an invaluable part of the Association, and we are proud to recognize Bruce as the 2013 District Volunteer of the Year.

# Volunteer Recognition

The Dick Grimm Distinguished Service Award is considered the highest honour recognizing individual service to the game of golf in Ontario. The award is named after Richard H. Grimm, who has been affectionately known as "Mr. Canadian Open" for his service to the event from 1965 to 1993. This award recognizes an individual's meritorious service to the game of golf in Ontario as a volunteer. Recipients of this award embody the principles of integrity, dignity and commitment which are central to the volunteer experience and to Mr. Grimm's persona.

## LIZ HOFFMAN

### DICK GRIMM DISTINGUISHED SERVICE AWARD

For more than three decades, Thornhill's Liz Hoffman has been an influential leader in Canadian sport, as an elite athlete, successful coach and widely-respected administrator. She joined the GAO Board of Directors in 2007, bringing her extensive knowledge and experience to become a driving force within the Association as a volunteer and fervent supporter of junior development programs across the province.

Liz's passion for golf developed at an early age, when she won the Ontario junior and Quebec amateur championships before becoming a member of the national team and participating in numerous amateur championships throughout the world. While serving as the University of Toronto's Director of Athletics, Liz joined the GAO as a volunteer and immediately became part of the Executive Committee as Vice President before assuming the role of President in 2009. Outside of those key roles, Liz has also lent her expertise to multiple GAO committees including Hall of Fame, Scholarship, Governance, and Finance, while also chairing the Sport Development Committee and becoming a familiar face as a tournament official at championships across Ontario.

Liz's outstanding leadership skills and passion for the advancement of young athletes has been instrumental in the establishment of multiple new GAO initiatives to develop junior golfers. She has been influential in the launch of Junior Golf Development Centres, which provide developmental pathways and coaching support for juniors, while providing guidance in securing provincial grants to help fund new programs.

She also serves as a link between the GAO and Golf Canada, where she is a member of the Board of Directors and numerous Golf Canada committees. A member at Thornhill Golf and Country Club, Liz has been highly involved with junior golf at the Club, the golf and greens committees, and is on Thornhill's Board serving as Membership Director. Her boundless energy and ability to inspire and motivate have made her a valued fixture within the GAO, and her wealth of experience make Liz a key asset to the Association. A hardworking, conscientious and dedicated individual, Liz is an advocate for all athletes – but golfers are certainly closest to her heart. She is an outstanding example of one who works to promote the values of the GAO and the sport of golf, and we are honoured to name Liz Hoffman as the 2013 recipient of the Dick Grimm Distinguished Service Award.

## MARKETING AND SPONSORSHIP

The GAO marketing staff and volunteers were charged with a full slate of new initiatives in 2013 along with the daily, monthly, and annual duties which made for a very busy year. At the foundation of all marketing efforts was our new strategic plan and our continual focus on a consistent brand message for the Association. The first major project was the transition to the national CRM database system to better manage and communicate with GAO members and contacts. The GAO also redeveloped and launched a new website for the GAO and the coaching program this past year. A change to the design and menu system has been well received and has made navigation easier for the casual user. The new content management system platform has been extremely well received and has increased the staff's efficiency and ability to customize the site for the short and long term. 2013 also saw the rise of the new Ontario Golf News magazine in digital format. Over the course of the summer three issues were circulated to GAO members with news and features from across the province. Along with these new initiatives the GAO also exceeded expectations in a number of other programs as well. The vTour platform for online tournaments produced over 3300 participants in 2013 which is three times higher than 2012. The GAO Invitational presented by Sandals sold out in six days as 40 couples (14 couples in 2012) teed it up and had a wonderful week in Exuma, Bahamas in early November. The GAO also continues to maintain a strong sponsorship portfolio of great partners and marketing support provided to Sport Development, Handicap & Course Rating and championships in 2013 helped to ensure best in class delivery of events, programs and services in each area. A big "Thanks" must go to all committee volunteers and staff for their help in making 2013 such a successful year.

## MEMBERSHIP

The GAO has welcomed more than 40 Ottawa Valley clubs into membership over the past two years, and many individual affiliate members. As we expand our programs, services and opportunities into the region, we continue to discuss membership and benefits to all. In addition, the GAO is extremely pleased to include another thirteen Ontario clubs (and their members) to membership for 2013 and beyond. And in a new initiative, the GAO partnered with the Northern Golf Association, successfully supporting the Northern Amateur with GAO trained officials and programming.

Although the GAO and program offerings have grown greatly over our history, the membership model has remained staid. In the fall of 2013, GAO and Golf Canada met with a significant number of member and non-member club representatives in a series of focus sessions to solicit input on the model, and to gather suggestions on a potential future model. Using this crucial stakeholder info, and a comprehensive industry review, we will be able to assess the feasibility and introduction of a change to the membership model.

Memorable milestones were celebrated by many clubs in 2013, including three 100th Anniversaries – we heartily congratulate the members, volunteers and staff for their ongoing dedication and valuable contributions to the sport of golf. We also commend the remarkable achievements of GAO Members who were recognized with Hole in One (427), Shoot your Age (31) and Club Champion (476) Certificates.

The Golf Association of Ontario welcomed four new members into the Ontario Golf Hall of Fame in 2013. Ian Leggatt, Rod Spittle, Gord Witteveen and Alexa Stirling Fraser became the 61st to 64th members while Jack Marks received the Lorne Rubenstein Media Award. The inductees were honoured at the annual induction ceremony at Wooden Sticks Golf Club in May.

Hosted by CTV and TSN sports anchor Rod Black, the ceremony highlighted each of the inductees' accomplishments and contributions to the game of golf, and featured an opportunity to share memories from their careers with an audience that included current Hall of Fame members Marlene Streit, Gary Cowan, Warren Sye, Gar Hamilton, Kelly Roberts, Mary Ann Hayward, Stu Hamilton and Sandra Post.

Ian Leggatt is one of Canada's best known professional golfers and is a winner on both the PGA Tour and Nationwide (now Web.com) Tour. He won the Buy.Com Dayton Open as a PGA Tour rookie in 2001 and the Touchstone Energy Tucson Open in 2002 when he was named Canadian Golfer of the Year in 2002. Leggatt played as an exempt player on the PGA Tour until 2008 and retired from the game in 2009. Following his retirement, Leggatt joined Wasserman Media Group as Executive VP of Golf before being named Director of

Golf for Summit Golf and Country Club in August 2012.

Rod Spittle is a competitive standout that made his mark on the Champions Tour by capturing the AT&T Championship in October 2010. After strong finishes at the Ontario Amateur and Canadian Junior, he captured the Canadian Amateur Championship title in 1977 and 1978. Spittle turned professional in 2004 at the age of 49. In 2010, he Monday-qualified into the AT&T Championship, and won the event in a one-hole, sudden-death playoff. Spittle is continuing his professional career on the Champions Tour, earning two top-ten finishes in 2012.

A career superintendent with over a half-century of service at golf clubs across Ontario and Quebec, Witteveen was the Founding Director of the Canadian Golf Superintendents Association (CGSA) and a renowned golf writer, author, featured speaker and educator.

A frequent contributor to industry publications, Witteveen was also the founding editor of the CGSA's GreenMaster magazine and authored several books. Witteveen passed away in 2010, and has also been posthumously elected to the Canadian Golf Hall of Fame.

Alexa Stirling Fraser began golfing at a young age earning her first club title at age

12. A close friend of Bobby Jones, she was dubbed "The Empress of Golf" and earned her first of three U.S. Ladies' Amateur Championship titles in 1916. She relocated to Ottawa and won two Canadian Ladies' Amateur titles. Stirling Fraser maintained her interest in golf throughout her life, and passed away in 1977. She has also been inducted into the Canadian Golf Hall of Fame, the Georgia Sports Hall of Fame, and the Georgia Golf Hall of Fame.

Receiving the Lorne Rubenstein Media Award, Jack Marks was a sports writer at the Timmins Daily Press, The Globe and Mail, and The Toronto Star. Over the course of his career, he served as president of both the Ontario Sportswriters and Sportscasters Association and the Toronto Press Club. He was also editor and part-owner of Tee-Off magazine, which later became Ontario Golf News. Marks continued playing until age 80, and passed away in 2001.

We continue to encourage nominations to the Hall of Fame with the appropriate literature available online or from the GAO office, and thank the golf community in Ontario for continuing to support the Ontario Golf Hall of Fame.

# Sport

As we inch closer to the arrival of the Toronto 2015 Pan American Games, the GAO's Sport Department has embraced this opportunity and has been diligently planning and supporting key long-term projects for the legacy of golf in Ontario.

The 2013 season was historic, marked by tremendous performances by Ontario's top athletes including three individual **National Championships**: Mary Ann Hayward – Women's Senior, Brooke Henderson – Women's Amateur and Future Links Pacific and Carter Simon – Future Links Ontario. Athletes also excelled in **International Championships** including: Brooke Henderson – South American Amateur champion, Corey Connors – Semi-Finalist in the US Amateur, Taylor Pendrith – Winner of the Porter Cup, Jenna Hague – Finalist in the Western Women's Amateur and Team Ontario – Williamson Cup champions. Ontario athletes Brooke Henderson, Augusta James, Corey Connors and Albin Choi also captured the Copa de las Americas title at the beginning of 2013.

The GAO continues to set the national standard for provincial developmental high performance as we work to develop the next generation of National Team athletes. In 2013, nine Ontario athletes were selected to **Team Canada**; Carter Simon and Tony Gil – Boys Development Team, Brooke Henderson, Brittany Marchand and Augusta James – Women's Amateur Team and Corey Connors, Taylor Pendrith, Garrett Rank and Chris Hemmerich – Men's Amateur Team. **Team Ontario's** 2013-2014 squads include: Boys – Conner Watt, Chad Watt Denyes, Brendan Seys, Trevor Ranton, Tyler Nagano, Jason Chung, Sam McNulty and Max Sear. Girls – Alyssa Getty, Annika Haynes, Monet Chun and Grace St-Germain. The GAO also launched **Regional U17** development teams in Ottawa, Waterloo and York featuring 12 athletes per squad identified through skill-testing combines teaching over 140 juniors.

For the second time, the golf competition in the **2013 Canada Summer Games** was a showcase event. The City of Sherbrooke Quebec and Milby Golf Club was an excellent host to the top junior golfers in Canada. Team Ontario included Sam Spencer, Alyssa Getty, Grace Chung, Jake McNulty, Carter Simon and Austin James. While the Boys' Team picked up the silver medal, the province of Ontario came away the big winner tallying the most medals and securing the Canada Games Flag.

Our **Provincial Championships** program had an exceptional year, continuing to elevate the national standard. Multi-day championships were hosted at some of the province's premier facilities including Sleepy Hollow CC, Wooden Sticks GC, The Lake Joseph Club, Grey Silo GC, Barcovan GC, South Muskoka CGC, The Rock GC, Oslerbrook GCC, Woodington Lakes GC, Ambassador GC, Stratford CC, Sunningdale GCC, Elmira GC, Seaforth GC and Renfrew GC.

**Junior Golf Development Centres (JGDC's)** continue to flourish across Ontario and Canada. With 16 recognized centre's in 2013 and another four coming in 2014, this initiative represents the very best in junior development including team competitions such as the junior Inter-Regional Final which was held at the Toronto Hunt Club.

Coach development in the Province has proved to be a key investment for the GAO and the **2013 Ontario Golf Coaches Summit** was shining example of the association's commitment to supporting PGA

of Canada coaches. Hosted at the beautiful Intercontinental Yorkville in Toronto, 85 of the best coaches and PGA professionals in Ontario took part in exciting development sessions from some of the world's foremost experts in sport including LTAD expert Istvan Balyi, Golf Canada's Chief Sport Officer Jeff Thompson, Customer experience consultant Michael Mattalo, media personality Rod Black, PGA of America Master Professional Michael Hebron and Kai Fusser from the Annika Academy.

The development of new golfers continues to be a major priority for the GAO and 2013 was no exception with **Mr. Knickers and Friends** and the **National Golf in Schools Program** now reaching over 860 elementary schools and 45 High Schools. With assistance from the Golf Canada Women's Fund, the GAO successfully launched She Swings She Scores (SSSS) taking golf to girls' hockey tournaments across the province. Supported by PGA of Canada women coaches, SSSS provided participants with basic fundamentals and information on golfing opportunities to over 800 girls.

Another highlight in 2013 was the groundbreaking work of the **Officials Development Sub-Committee**. Chaired by John Turner, the group included Ian Giles, Jim Furlong, Barbara Allan, Lee Griffin and Gerry Bower. Together with staff, the sub-committee launched two officials' spring training meetings and re-vamped the Association's tournament resource manuals.

Funding all sport programs from Schools to Team Ontario continues to be a challenge and in 2013, the Granite Golf Club and its members assisted the GAO in raising over \$40,000 by hosting the 2nd Annual **Junior Golf Drive** to generate important dollars to continue the development of golf in Ontario.

The continued success of our athletes, coaches and clubs is a testament to the focus and dedication that the GAO takes with its sport programs. We thank Mike, Dave, Larry, Sandy, Mallory, Mary Ann, Jon and Reggie.

Respectfully submitted

## Congrats Dave!

**GAO Executive Director Dave Mills is retiring after three decades of involvement with the Association. Prior to his retirement, he was named an Honourary Life Director with the Golf Association of Ontario.**

Dave Mills' relationship with the Ontario Golf Association (OGA) and Golf Association of Ontario (GAO) spans over 30 years as both a volunteer and administrator. After 15 years volunteering with a focus on junior golf development at the Bay of Quinte Golf & Country Club and serving on the OGA Board of Directors, Dave took on the role as Executive Director for the OGA.

His administration would last 17 successful years leading up to his retirement in January 2014. In his time as Executive Director, the OGA/GAO saw a number of significant changes which have given the GAO the reputation as a leading Amateur Golf Association.

One of Dave's first strategic moves was relocating the OGA head office from Newmarket to Uxbridge at Wooden Sticks Golf Club. This move also allowed him to help guide the Association in the establishment of the Ontario Golf Hall of Fame that same year in 2000 and pave the way to the amalgamation of the OGA and OLGA (Ontario Ladies Golf Association) in 2001 to form the Golf Association of Ontario. He was also responsible for the GAO becoming the PSO (Provincial Sport Organization) for Golf with the Government of Ontario, allowing the GAO to apply for grants to help establish and grow many sport development initiatives. Dave created a Sport Development Department to assist with these programs including Golf in Schools, high performance development and the addition of golf to the Ontario Summer Games. GAO Championships have grown and been elevated in stature under Dave's leadership, and he can also be credited for bringing a modern governance structure to the GAO. Dave helped implement a \$0.50 per member donation to the Ontario Turfgrass Foundation which is regarded as an important gift to the sport and industry from the GAO. He implemented and expanded the education of young golfers through a scholarship program that benefits students at Humber, Niagara, Georgian and Durham College, as well as sponsoring the Golf Management Institute of Canada.

Dave helped initiate and forge a strong relationship with the Ottawa Valley Golf Association (OVGA), which has seen 43 clubs/courses in the area join the GAO since 2011. Membership in the Association grew substantially from Dave's initial start from some 65,000 members to over 100,000.

He was also part of the formation of the National Allied Golf Association – Ontario Chapter in 2001, a group comprised of the GAO, PGA of Ontario, Club Managers Association, the NGCOA – Ontario Chapters, and Ontario Golf Course Superintendents Association to help address Ontario golf industry issues.

Dave is married to Judy, they have three children who are very active in sport; Jennifer Mills is a US College Volleyball Coach and Hall of Fame member at her alma matter, Jeff Mills is the Head Golf Professional at the esteemed Wildfire Golf Club and finally Jon Mills is a professional golfer that has played on the PGA, Web.com and PGA of Canada Tours and is also a past Ontario Amateur Champion.

Dave has recently returned to his roots in Belleville and will be afforded the pleasure of playing more golf as a member of the Bay of Quinte Golf and Country Club. The GAO is indebted to Dave's contributions to the Association and to the game both as a volunteer and leader. The GAO would like to wish Dave and his family the very best as they embark on their next adventure.

**Thanks Dave!**
