

Equity, Diversity & Inclusion Policy

The Golf Association of Ontario, operating as Golf Ontario ("Golf Ontario"), embraces an environment where equity, diversity and inclusion are cultural norms and where all individuals, regardless of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, record of offences, marital status, family status or disability, are respected and valued.

Golf Ontario seeks to create welcoming environments that encourage and support engagement in the sport of golf so that Golf Ontario better reflects the rich diversity of Ontario in all aspects of our organization.

The Equity, Diversity and Inclusion Policy, approved by the Golf Ontario Board of Directors, sets expectations for all Golf Ontario volunteers, staff and contractors. It also provides direction for working with our community/provincial/national partners and golf clubs/courses/facilities to better engage with under-represented groups in our sport and in our organizations.

PURPOSE AND SCOPE

1. To promote the benefits, principles and opportunities of equity, diversity and inclusion within Golf Ontario and with community/provincial/national partners, golf clubs/courses/facilities and golfers/potential golfers.
2. To build relationships with established organizations and groups of golfers of under-represented groups in order to learn about their goals and better understand and address the barriers faced by under-represented groups engaging in the sport of golf, so that we can identify opportunities for mutual benefit and/or mutual support and encourage participation of these golfers in Golf Ontario and golf clubs/courses/facilities.
3. To encourage individuals of all demographic groups, particularly those of under-represented groups, to become involved in the sport of golf as players, members, volunteers, staff, supporters and spectators.

BENEFITS

4. Equity, diversity and inclusion will help to create environments which welcome everyone to be part of the sport of golf. Welcoming environments will help to increase the number and diversity of individuals and organizations involved in golf.
5. Increasing the diversity of individuals and organizations involved with golf will help to bring new ideas, support growth in participation, increase the fan base and expand the number of qualified personnel to serve as volunteers and staff for Golf Ontario and golf clubs/courses/facilities.
6. Individuals and organizations will access opportunities to participate in social, recreational and or/competitive golf, as well as being more aware of opportunities for involvement in golf as volunteers, staff, supporters and spectators.
